Truck Crashes Tree on Water Street

A truck belonging to the Potter-Dewitt Corp. of Pavilion, loaded with stone went out of control Monday afternoon and crashed a tree in front of the John L. Cannon residence on Water street.

According to the driver the brakes failed to operate as the vehicle was coming down Hardy Hill. The driver succeeded in steering the truck into Water street but it skidded completely around on the slippery road and crashed the tree which was uprooted by the impact. The tree fell on the Cannon lawn barely missing the house.

The driver of the truck escaped injury but the rear of the truck and a tire were badly damaged.

Uniform Price for November Milk Set at $5.09

New York, Dec. 11—A uniform price of $5.09 per hundredweight will be paid to dairy farmers for their November deliveries to 429 pool-approved plants in the six-state New York milkshed, it was announced Saturday by Dr. C. J. Blanford, Market Administrator of the New Work metropolitan milk marketing area. The uniform price in October was $4.63 and in November a year ago $4.30.

At the same time the administrator announced that the producer butterfat differential for November would be 5.6 cents for each tenth of a pound of fat above or below the 3.5 standard.

Announcement of the uniform price was made five days before the December 14 deadline to enable dealers to pay producers for November milk before Christmas.

Despite the largest number of producers to supply the market for the month since 1943, November milk production was down 21,623,726 pounds, or 4.65 per cent, from a year ago.

Total farm value of last month's production is $23,369,999.25, made up of $22,576,529.73 at the uniform price, and $793,469.52 in butterfat and location premiums.

December Price Estimated at $4.89

New York, Dec. 20.—A uniform price of $4.89 per hundred will be paid for December milk deliveries to pool-approved plants according to a forecast by Dr. Blanford.

He also estimated that the producer butterfat differential for December would be 5.4 cent.

Legion Swamps Jasper To Win Fourth Game

The Andover Legion basketball team won its fourth straight game by beating Jasper 64-36 on the local court last Wednesday night. This was their third straight victory. Andover got off to a good lead and ran the visitors ragged throughout the game.

Everyone broke into the scoring column for Andover. "Dick" Lynch was high for Andover with 11 points. Marsh was also high for Jasper with 11.

The preliminary game was played between two Andover teams because the Bausch & Lomb team was unable to show up because of a mix-up in the community league schedule, but Bausch & Lomb will appear tonight in the preliminary game against the Legion prelim team.

Legion Meets Greenwood Here Tonight

The Legionnaires wili seek their fifth straight victory against no defeats, meeting Greenwood Legion on the Andover court tonight. Greenwood has only lost one game, that being to the powerful Modern Cleaners by a close score. They have plenty of height in lanky "Joe" McNeil and a great playmaker in "Dick" Willover, the Greenwood high school coach. Greenwood won the playoffs in the Allegany-Steuben league last year and they will be at top strength when they meet Andover tonight.

Bausch & Lomb meets the Legion preliminary team in the first game starting at 7:30.

"Sid" Miles will referee the main game.

Scout News

James Yannie, Charles Loescher and Robert Sherman, Scouts in the Andover troop who attended the National Jamboree at Valley Forge, have been awarded the cooking merit badge for their work there. The cooking at the jamboree was done by the Scouts under adult supervision. Food was issued from the central commissary in quantities sufficient for ten people. Each patrol then cooked and served the food in their own patrol area.

The meals were well balanced and of sufficient quantity to be pleasing to the boys. The meals were cooked over charcoal fires. All of the Scouts took turns being cooks, dishwashers, or kitchen police, so all of the Scouts got some experience in cooking as well as food preparation.
