Seal Sale Endorsement

Praising in particular the case-finding and health education projects of the Allegany Health and Tuberculosis Association, Dr. E. F. Comstock, president of the Allegany County Medical Society, in a statement made today endorsing the 1950 Christmas seal sale, lauded the year-round work of the association which is conducting the county's seal sale from November 20 through Christmas.

Proceeds from the seal sale constitute the sole support of the association, he pointed out. Dr. Comstock paid tribute to the association for its "vigorous efforts" against the spread of tuberculosis in Allegany county. The tuberculosis prevention control program of the association, he stressed, is made possible through its annual sale of Christmas seals.

"Among the association's contributions to the campaign against tuberculosis in Allegany county have been its case-finding and health education projects," Dr. Comstock said. "Case-finding activities in the county are directed at detecting undiscovered cases of tuberculosis, people who may not even know they are ill. As these cases are uncovered, of course, we must help the sick persons take steps toward getting immediate care so that they may be cured.

"Tuberculosis is a chronic, communicable disease that has no obvious symptoms in an early stage," he explained. "Even one case of tuberculosis in the community, however early, may be a possible danger to others in the area.

"But tuberculosis can be discovered, even in an early stage, by means of the x-ray. That is why we urge every adult in the county to have a chest x-ray at least once a year."

Dr. Comstock also briefly described the association's health education program, the purpose of which, he said, was to inform the people of the facts of tuberculosis which could help them protect themselves against the disease.

"Although tuberculosis may strike anywhere, at any time, we believe that forewarned is forearmed," he concluded. "People who know how to protect themselves against tuberculosis are less likely to get the disease. I cannot urge too strongly that every resident buy and use the Christmas seals. I feel that seal purchases mean ammunition against one of Allegany county's persistent enemies, tuberculosis, because it means support of the helpful year-round campaign against the disease carried on by the Allegany Health and Tuberculosis Association."

Services for Mrs. Nona Horan Held Saturday

Services for Mrs. Nona Horan were held Saturday morning at 9:30 at Immaculate Conception Church in Wellsville, with the Rev. Francis O'Meara officiating and burial was made in Sacred Heart Cemetery, Wellsville.

Mrs. Horan was born in Wellsville the daughter of Eugene and Mary Sullivan Forham and resided there until her marriage with Edward S. Horan of Andover. They lived on a farm on South Hill for several years before moving to Andover where they lived until they moved to Wellsville seven years ago.

Surviving are her husband, a daughter, Mrs. Robert Healy of Wellsville, two sisters, Mrs. Harry Sullivan of Havana, Cuba and Mrs. John Harrington of Wellsville, a brother John Forham of Wellsville and two granddaughters.

Mrs. Horan was a member of Immaculate Conception Church and the Catholic Women's Club of Wellsville.

The W. H. Greenhow company operators of Station WWHG and the Canisteo Radio Corp., operator of Station WLEA have filed an application with the Federal Communications Commission for transfer of the 1320 kilocycle frequency to Station WWHG. In effect and depending on FCC approval, the agreement means that WLEA would discontinue broadcasting and WWHG would continue on the frequency now used by WLEA.

We want to say, with deepest sincerity, a very happy holiday to you.

HAPPENINGS of Local Interest

Mrs. H. W. Boyd is reported seriously ill at her home on Chestnut street.

Mr. and Mrs. Conrad Church and family have moved to their home recently purchased of Mrs. Pearl Joyce on Chestnut sereet and Mr. and Mrs. Walter Gath are moving from the Wentworth apartment to the apartment in the Kemp house on Greenwood street, vacated by Mr. and Mrs. Church.

Who said the seasons had changed? This year has all the appearances of one of those old fashioned Allegany county winters we used to enjoy.

The L. L. Bridge Club held their Christmsa party at the home of Mrs. Frank Holmes Thursday night, following a turkey dinner served with Christmas decorations and trimmings at Your Hostess restaurant. Cards and a Christmas tree with exchange of gifts was enjoyed. Prizes in bridge were awarded Mrs. Mildred Woodruff, Mrs. John Nobles and Mrs. Holmes.

Skating is reported as being enjoyed on the Andover ponds.

The Allegany Telephone company "hello girls" will hold their annual Christmas party this Sunday afternoon at the local office as in past years.

A $500,000 fire wrecked one of the nation's largest potato storage warehouses at Avoca last Wednesday night. An explosion in the heating plant is given as the cause of the blaze. The warehouse held nearly 210,000 bushels of potatoes.

R. E. Hyde of Olean, district game manager for the State Conservation Department has been recalled to active duty and will leave December 31. He is a member of the air force reserves and will report as a pilot at Ft. Sill, Okla.

The Rev. Norman J. O'Mara, pastor of Our Lady of Angels church at Cuba, celebrated the 25th anniversary of his ordination to the priesthood Tuesday, December 19.

Harry J. Maddren, Jr., of Allentown has received word that he successfully passed the recent examination for game protector.

Miss Betty Huges, 18, and her brother, Lyle Hughes, 19, of Bath won sectional honors at the 16th annual convention of the National Junior Vegetable Growers Association held last week in New Orleans. Miss Hughes showed a profit of $461 from an acre and a half of tomatoes and squash and her brother $1,311 from five acres of potatoes.

In the 142 county dairy herds officially tested during November the herd of Millard Lace of Cuba was high with 1178 lbs of milk and 44.3 lbs of fat per cow for the month. The second high herd was that of Robert Stowell of Belmont with 1148 lbs of milk and 42.7 lbs of fat per cow and the herd of Robert Haskins of Belfast took third with 1130 lbs of milk and 41.9 lbs of fat.

Off-grade Potatoes Offered for Stock Feed

On December 15, the Farm Bureau Commodity Committee met in Belmont to confer on the local potato situation. A brief survey showed that no appreciable surplus of U. S. No. 1 grade was evident since the crop in general is not of the quality anticipated early in the season.

The top grade for human consumption is worth at least $1 per bushel. The potatoes graded out are offered in limited quantities to farmers for 40c per hundred, bags exchanged, for stock feed. It was pointed out that, by present corn prices, potatoes have a net energy value of 76c; so the 40c price is reasonable. The source of stock feed potatoes may be obtained at the Farm Bureau office.

Jones Memorial Contracts Signed

The board of managers of the Jones Memorial hospital have signed four major contracts for construction of the new hospital.

The general contract of $645,930 was awarded to John W. Cowper, Inc., of Buffalo. The plumbing, at $100,469, to George H. Drake, Inc., Buffalo; heating and ventilating, $86,065 also to the Drake company and the electrical at $86,065 to Robertson Electric Co., Inc., Buffalo.

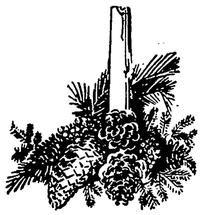
About $220,000 for elevator and other equipment is yet to be let, which will make the estimated cost of the hospital $1,153,799 of which the federal grant will supply $384,600.

The local hospital board still has to raise approximately $113,000.

Workmen Burned At Alfred

Harold D. Bartlett of Wellsville, Empire Gas & Fuel company employee and Harry Daggett of Honeoye, shovel operator for the Abrams & Plotzker company of Rochester, received possible third degree burns when gas flames shot 25 feet into the air when a power trench shovel struck a gas line in front of the dairy barn on the agricultural farm Monday morning.

Both men were taken to Bethesda hospital in Hornell.



TO OUR FRIENDS

At Christmas time a happy smile
And a shake of the hand are well worth while
And a greeting with a wish sincere—
Helps a lot to bring good Cheer;
We'd like to visit you today,
And other Friends far, far away.
But time will not permit our meeting,
That's why we're sending you this Greeting.

Each year as Christmas draws near we realize more than ever that our success is deeply rooted in the warm soil of our customer's friendship. And we are grateful that we have had the pleasure of serving folks like you.

We appreciate the confidence and patience and the understanding you have shown during the past year, and when we say "Thank You" for past favors it comes straight from the heart.
