LETTERS TO OUR SERVICEMEN

by Eunice Hall

Once again it is time for the women folk to take their pens in hand with the boys once more answering the call to duty.

Concerning what to write and what not to write is the big question when dispatching the news of doings at home to boys in the service, whether they are in a training camp a few miles from home or in a foxhole in some far-off place.

Some excellent ideas to let a fighting man know he is being missed are related below:

First of all, nothing is more disheartening than to listen in vain for your name when mail comes. Write letters that are cheerful and gay or postpone the writing until you are in a more cheerful mood.

Keep a note pad handy, take notes of newsy items you hear between letters, so you'll have something to write about and so you won't forget to mention them. Remember amusing incidents.

If the fellow you're writing to happened to work with you send him a weekly news letter and keep him up-to-date on the happenings. Keep him advised as the other fellows join the service also send their addresses for they get together sometimes.

Let a service man know he's being missed at home. If it's a boy friend you're writing to, don't tell him about other dates you're having. Maybe Joe is his best friend, but he won't like the idea of having him take his place.

Remember these few tips and you'll be a morale booster to Uncle Sam's fighting men.

PANTHERS TROUNCE ALFRED-ALMOND EAGLES 40-31

Tuesday night the Panthers took on Alfred-Almond in what was supposed to be a little one sided game. But the Panthers were not the quitting type and played hard ball to overcome the Eagles 40-31. The local hoopsters started hard in the first quarter and kept it up throughout the game. Andover lost the lead a few times but fought hard to get it back and keep it and win the game.

"Duke" Snyder and "Spider" Atwell were high men for the winners each with ten and Dean Fisher was next with nine. For the losers it was Alfiston with ten and Harris with nine.

ALFRED-ALMOND TOPS J. V's 49-47 IN OVERTIME

The Alfred-Almond Junior Varsity took a heart-breaker from the locals Tuesday night 49-47 in a second overtime which was sudden death because of broadcast of the varsity game.

The Wildcats moved out fast in the first stanza and led 12-8. The visitors came on a little in the second quarter but still trailed 15-14. The third period was fast and high-scoring but the locals still held a one point margin 30-29. The fourth quarter saw Alfred-Almond move out ahead and they held a two-point lead going into the dying seconds of the game when Moose Wheaton sunk a long shot to tie the score. At the end of the first overtime they were still tied 47-47. The second overtime was a sudden death affair and the visitors scored a bucket and won the game.

Clever "Points" Pelton was high man for the locals with 15 points and slim "Slug" Slocum was next with 13. E. Johnson was top man for the visitors with 15 points and Harvey was second high with 14.

ALLENTOWN STILL UNDEFEATED BY DOWNING ANDOVER

by Moose Wheaton

Friday night the Allentown Eagles had another successful evening by beating Andover on their own court.

In the first quarter Andover was playing superior ball against the Eagles with a 2 to 1 zone which proved to be very hard to break through for the Allentown five. The Panthers had a 10-4 lead at the first quarter and were one point down at half time. Then in the second half Allentown got hot with Cady netting 10 points to set the Eagles out in front and win the game to remain undefeated in league competition.

Atwell was high for Andover with 12 points and Snyder was next with 8. For the Eagles it was Cady with 19 and he was followed by Coats with 13.

by Dean Fisher

The J.V.'s downed a scrappy Allentown Junior Varsity team 28-34 last Friday night by making a brilliant last minute surge.

The locals led 8-4 at the end of the first quarter but the home team came roaring back in the second stanza and led at half time 15-12. Both teams scored evenly in the third period and Allentown still led 22-19 going into the final quarter. In the last three minutes of play the Wildcats came fighting back to cop the game 28-34.

Andover was sparked by their brilliant forward "Moose" Wheaton, who dumped in 14 points. "Johnny" Baker was next with 6. Potter was high for Allentown with 9 points and Stephens was second with 7.

"Siboney"
"Glow Worm"
"Kerry Dance"

GRANGE YEAR of 1951 puts an added burden on us all, whether we be members of the Grange, or interested in agriculture, or whatever our occupation or position. More than ever before it has been brought home to us that there are elements who would destroy us and our way of life. More than ever we have been called upon to examine this way of life and decide if it is the one we want to carry on. There is no question concerning the answer. It is not our purpose nor our function to editorialize, but this is with us too, and we can't help commenting on it.

N. Y. S. AGRICULTURAL Society meets in Albany next Wednesday, January 24th, for (think of it) it's 119th time. President Fred Sexauer will keynote the session with his opening speech and there will be several notable addresses culminated by Gov. Dewey's talk at the dinner in the evening. Actually there is nothing practical accomplished for the benefit of agriculture, but there is a strong sentiment kept alive which is in itself beneficial to New York's farm folks. Like you, we are wondering who, this year will be honored as "Century Farm Families."

FARM FIGURES for this or any year amaze us. We wish we had the statistical flair that Doc Genung, down in Ithaca, has. We can't begin to give them here, much less their import to you and the city consumer, but imagine that in the last war gross output per farm worker increased 26 per cent in 5 years, in the face of a 6 per cent decrease in farm workers. To compare with this amazing production we haven't available as we write this, the amount of food produced for us and the rest of the world to eat, but we know there was a tremendous increase. Without wishing to get into an argument, but with an all out war facing us, we would like to ask the labor unions to examine their output, now and in the future.

HARVEY

by Charity Howland

Harvey, as usual, got on the good side of Coach Witzel and wrangled a seat on the bus going to Allentown. Finding a very full bus he decided to stand in order that he might see everything. In the first glance he saw "Marty" Smith with Jackie Vickers and "Jim" Connor with Jocelyn Joyce. "Mike" Smith was trying to get Barbara Clark to sit with him but "Dave" Conde was having better luck getting rid of his gum. It was so noisy that Lucille Smith on one side of the bus couldn't keep on the same tune as Gay Rogers across the aisle. Gay was doing a solo on "The Tennessee Waltz." Carol Nye and Ann Wood were trying to harmonize.

We arrived about 7 very full of pep. "Butch" Vickers was using someone's flash camera and he took some good pictures. Both games were very good and as a result Arlene Edwards has a very hoarse throat. Harvey still does not think she got it at the ball game when he learned Freddy Marsh was over last Sunday. Harvey often wondered why Ruby Ordiway was so downcast and now knows—"Stan" Ormsby is working in Niagara Falls.

Early Monday morning Harvey came trudging over the slippery walks to greet Mrs. McFadden who has been absent because of illness for the past two weeks. Harvey decided that with the fear of midyear exams coming up that he'd better work. However, too many funny incidents keep roaming through his mind, such as "Sandy" Bostwick getting so nervous that she started eating her change instead of her ice cream. Also he smiled as he saw Gay Rogers using a new rouge called "Kiss and Tell." He was happy to know Mary Button and "Spider" Atwell are still going together. Harvey, in closing, wants to wish everyone "Good Luck" on their midyear tests.

Notice to Owners and Harborers of Dogs

Dog licenses for 1950 expired on December 31st, 1950. The 1951 license fee was due January 1. Licenses so issued will cover the period from January 1, to December 31, 1951. Every dog must wear a tag of the current dog license year. A dog without such a tag is not protected by law and no action can be maintained for his injury or destruction.

An unlicensed dog may be seized and killed and the fact that a dog is without a tag is presumptive evidence that the dog is unlicensed.

Dog licenses must be obtained from the clerk of the city or town where the dog is harbored or kept.

License fees: Male dog $2.25; female dog, $5.25; spayed female dog, $2.25.

No license can be issued for less than the full license year.

The owner of the dog who fails or refuses to obtain a license for the dog as required by law incurs a penalty of $10.00 and costs.

The enumerators of towns and the police departments of cities are required to prepare in January of this year a list of dog owners. The omission of the name of an owner from such lists will not excuse the owner from obtaining a license.

If you owned a dog last year and do not own one now, so advise the clerk of your town or city.

Dog licenses in the Town of Andover may be obtained from Mrs. Marion Theetge, Deputy Clerk, at the Folsing Store.
