should vote the Republican ticket.

The official vote of the Dominicans shows 15,119 for annexation to 110 against.

Republicans—rain or shine, hail or snow, don't fail to put in your vote, next Tuesday.

The Mormons are talking of emigrating to Mexico. Instead of Mexico they had better "talk Turkey."

Be sure that the ticket you vote on Tuesday next, has the name of HENRY R. SELDEN, at the head.

Republicans, ask you to turn on Tuesday next and join in a full poll. Don't let anything keep you from the polls that day.

The Illinois Constitutional convention have excluded their action submitting the Woman Suffrage question to a popular vote.

We do not ask Republicans to vote "early and often," but be sure to vote once—and see that your Republican neighbor does the same.

Capt. Ericsson, of Monitor fame, announces that he has perfected a system of submarine attack by which he can destroy the largest iron-clad ever built.

Sizes of newspapers, and individuals charged with complicity in plots against the Emperor's life are the order of the day in reasles, unstable volume France.

The bill that passed the House some time ago allowing soldiers artificial limbs, or the rest of them in money, has been amended by the committee so as to allow them the artificial limb once in five years, but no allowance of money.

The annual session of the National Encampment of the Grand Army of the Republic was in session yesterday in the city of Washington. A full attendance of delegates from all States and Territories was reported.

Fiberized Concrete is the name of a new, patent building material, which it is claimed will make a thoroughly fire-proof, comfortable, elegant and cheap house. The parents is Mr. S. T. Fowler of Brooklyn, Long Island.

Remember that there will be one ballot only to be voted throughout the State, at the election next Tuesday, except in two or three cities where they have local officers to elect. The ballot is to be used "Judicially," and will contain the names of the Chief Judge and four "Associate Judges."

The Democratic Central Committee is sending out secret circulars, urging Democrats to poll a full vote next Tuesday. This shows that they realize the importance of the election, and want to steal a march on the Republicans. We hope every Republican will be found at his post of duty, wide awake and alert.

A number of Gentlemen at Washington delegates from the working men of the Pittsburgh Rolling Mills for the purpose of pleading against any reduction in the Tariff on iron, claiming that such deduction would be detrimental to the interest of the working men of this country.

Several of the Republican Senators are using their influence with some members of the House who are opposed to the immense land grants subsidies or railroads now before Congress, and have prepared a protest to be put on the journal of the House. Saying that they are willing to have it go before the country, that the Republicans party favor the "Land grab" schemes.

The question of granting a land subsidy to Cyrus W. Field's and others to assist in laying a cable to China was discussed at length on Monday by the House Committee on Public Lands. The committee were decidedly opposed to allowing the grant of any lands for that purpose. The committee directed their chairman to report it back to the House, and ask it to be referred to the Committee on Foreign affairs with recommendations that the land grant be not allowed.

There are two tickets in the field to be balanced for next week viz., Mr. Tweedie, and the other, the Representative. And now it is for the Republicans to decide whether they will align themselves with the former, or the latter. It is for the Repub-

licans to decide whether they will align themselves with the former, or the latter. It is for the Repub-

licans to decide whether they will align themselves with the former, or the latter. It is for the Repub-
