POPULARITY

by Eunice Hall

Having completed our popularity poll, once again some are very happy to know that they are liked among the students while others are disappointed that they aren't as popular as they thought or would like to be.

A girl doesn't have to be beautiful or even pretty to be well liked. Beauty can make a girl unpopular if she depends on it alone and doesn't develop her personality. What really counts is natural, sincere friendliness which results when she has learned to forget herself, has become interested in other people and is not afraid to show friendliness.

One big hindrance which keeps some girls from making friends is shyness. Time after time a girl wants to relax and enjoy her friends but is self-conscious and stiff. By joining school activities and clubs and by learning how to do things well, girls may overcome shyness and gain poise and confidence. If they work on the school paper, participate in sports sing in the choir, or learn to play an instrument, they'll be so busy and interested they won't have time to think about themselves. By learning and doing things in these activities, they'll win the friendship of all sorts of people.

Reducing diets are silly, I think. Even if girls are too chubby it's foolish to ruin their disposition and pep, maybe their health too, by dieting to the point of starvation. Some girls are just not built to be slim. Others are chubby in high school and slim down later naturally.

Girls who want to be popular must stay as healthy and attractive as possible. Then they must forget themselves, and just be natural and friendly. People can tell a girl who is forever thinking of herself because she appears uneasy and isn't poised. The important thing is to develop personality, the true beauty that brings its rewards in popularity.

YOUR MANNERS ARE SHOWING

By Eunice Hall

Did you Know that:

If your boyfriend introduces you to his "Aunt Helen", for instance, find out her last name and address her as "Miss" or "Mrs." so-and-so. A good point for you to remember when you are introducing your mother or father! You can introduce them simply as "Mother" and "Father" if their last names are the same as yours. But if your relatives' last name is different from yours be sure to make a special point of supplying that last name in your introduction. A boy introducing his aunt to his girl might say, "Aunt Helen, may I present Jane Doe? Jane, this is my aunt, Mrs. Jones."

There is another greeting to extend besides "How are you?" When you know the person you're greeting is perfectly well. You can always say "Hello" and call the person by name. Then if you would like to say more, you might ask about someone or something you know interests him. "How are you?" is still a friendly greeting and has come to mean more in this country than just an inquiry into the helth of the person being greeted.

FACULTY vs LEGION GAMES POSTPONED

By Dean Fisher

It was announced Tuesday morning that the games Tuesday night, Feb. 27, would be postponed until a later date due to illnesses to players on both the teams.

These games were to pit the faculty twisters against the Andover Junior Varsity while the second game was to see the local Legion battling the A. C. S. Varsity.

Such key men on the twisters as "Dead-Eye" Reil, Carl "The Wizard" Witzel, and Murlyn Conde have been stricken with the flu.

Also some of the high school players are under the weather. They are lanky "Les" Monahan, "Casey" Wheaton, "Duke" Snyder and "Points" Pelton.

These games will be played as soon as possible.

The president opened the meeting at 7 o'clock by calling for new business. It was decided that plans would be made for a candy sale March 8th and a social hour some time in April.

The girls then retired to the kitchen and made applesauce cakes. The results were very good. BR

J.V.'s DROP COUNTY TITLE TO FRIENDSHIP 51-49

by Dean Fisher

On the Cuba court last Wednesday night the Friendship JV's edged the Wildcats 51-49 to take the Allegany county title in a very hard fought well played game. Andover was greatly handicapped when they lost Slocum and Wheaton via the foul route.

The locals opened fast and jumped out to a 12-8 lead at the end of the first quarter. Friendship closed the gap a little in the second stanza and Andover held a slim one-point lead, 20-19, at half time. A wild high-scoring third quarter ended with the two teams deadlocked at 38-38. Andover held a one-point lead with 30 seconds to go but they couldn't hold it and Friendship won out 51-49.

Mighty 'Moose' Wheaton paced the locals with a new Junior Varsity scoring record of 22 points and Lanky "Les" Monahan was next with 10. Stearns was the scoring ace for the winners as he netted 32 points and Hackett was second with six.

Well, kids, here comes the flowers with their sprinklers once again.

An orchid goes to Eddie Harkenrider for scoring so many points in the cub all-star game.

Onions to Paul Atwell for going to sleep in class.

Onions to Neva Curry for kicking Roger Wright in the shins.

Onions to Eunice Hall for breaking her glasses.

Onions to Clyde Jackson for having his curly hair cut off.

Onions to Dale Greene for riding home on the spectators bus.

Orchids to Paul Clark for scoring so many points for the all-stars.

There are quite a few tears this week so the flowers will keep fresh. Don't you think the flowers will catch up next week?

ANDOVER COPS JUDGING HONORS

The Andover Central School FFA and 4-H judging teams took high honors in all divisions last Thursday and Friday at the potato show in Wellsville. The FFA team, made up of Robert Baker, Ronald Atwell, Carl Waters and Wayne Atwell, took honors over the crack Wellsville team. Robert Baker also had high individual honors with a score of 429 out of a possible 471. This mark was top mark for the whole show. Carl Waters paced fourth in grade with 418 out of a possible 471.

The 4-H team also received first place. The team consisted of Lyle Slocum, Richard Nye, Carl Atwell and Paul Clark. When the totals were looked over Richard Nye was second high for the 4-H competition with a score of 429 out of a possible 471. Lyle Slocum was third and Carl Atwell, fifth.

Both teams judged potatoes, various vegetables, seeds, insects and general garden produce, also the grading of potatoes. Various boys from different schools gave demonstrations also. Carl Waters took second prize on demonstrations with a showing of "Controlling Diseases and Insects in Gardens." These boys did a fine job and deserve praise for giving such a good showing for the school.

CHIT CHAT

James Conde and Mary Ann Joyce

Marion Milligan went dancing at the Clouds in Wellsville Saturday.

Due to much hard work by the cheerleaders the Andover J. V's and Varsity had their party Friday night.

Eunice Hall and Pat Sackett were accepted at the Highland School of Nursing where they plan to become trained nurses.

An early graduation present of a watch was given to Maxine Baker.

We wish to compliment the Ag boys for doing so very well at the potato show.

Lately Andover Central School has had glasses trouble. Eunice Hall broke hers Colleen McAndrew left hers in Alfred Station and Tim Marsh has broken his glasses three times.

Ann Wood enjoyed skating with "Dave" Smith at the rink Saturday evening.

Carol Nye is still dreaming about Clarence Kibbe.

We all wonder what happened to the Wheeler and Miles romance.

Catherine Kemp still writes those daily letteters to "Frank" Button.

Who is the freshman boy Beverly Loucks has the crush on? It must be "Charlie" Davis.

Ann Marvel, Ann Wood and Clarice Nye enjoyed skating at the rink Saturday evening.

We see Virginia Kibbe still has a crush on "Doug" Wheaton.

Arlene Edwards and Ann Marvel attended the movies in Wellsville Sunday evening.

"Jerry" Green seemed lonesome on the way home from the game Wednesday night since Jocelyn had to ride home on the other bus.

Mary Jane Sackett finally made up her mind about "Ted" Smith.

The Betty Ann Kemp and George Wheeler romance seems to be all washed up.

Charlottee Case and "Pat" Reisman seem disappointed since "Jim" Smith quit coming to school.

From all reports Shirley Tidd enjoys skating with Leo Reisman every time she goes to the rink.

Ruth Atwell attended the dance Friday night with a Canisteo boy.

ACS CUBS DUMP ALL-STARS 39-37

by Dean Fisher

In the gym last Friday night Mr. Carmody's Cubs took the rubber game from Vic Daley's All-Stars 39-37 in a very close, well-played ball game.

The All-Stars came out fast from Coach Daley's rousing pep talk and really baffled the Cubs in the first quarter and led 14-9 at the end of it. They kept their mastery over Coach Carmody's boys in the second period and led 26-20 at half time. The Cubs came back strong in the third stanza and only trailed by two points, 29-27 when it was over. The last quarter was fast and furious but the Junior High fellows kept pouring it on and finally edged the Daley basketeers 39-37.

Long "Skyview" Harkenrider, the Cub high scoring forward, paced the victors with 18 points and was followed by his running mate, scrappy "Whizzer" Howland who netted 10. Paul Clark, the All-Star hard-driving forward was high for the losers with 13 points and "Dick" Clark, Daley's hook-shot artist, was next with ten.

HARVEY

By Charity Howland

Harvey, so it seems, is taking lessons on certain kinds of speech from Ann Marvel. She concludes the best ones are: "Oh cludes the best ones are: "Holy Cow." Arlene Edwards claims that Ann used these words while chaperoning her (Arlene) and Eddie Cassidy to the show last Sunday night.

Harvey wishes all the students the "very best of luck" on the five week tests.

On Monday of this week Harvey counted the number of absences and found the total to be 89. Many are out with the flu, colds and chicken pox.

All those who attended the team party reported a very good time.

Harvey, of course, being Gay Rogers' latest date was there helping eat up "Doug" Wheaton's carrot sticks.

Clarice Nye and Charity Howland had a wonderful time beating Wayne Atwell and Dale Green at badminton.

Harvey, during the past week has become very lazy. He recently acquired the habit of riding on Jimmy Conde's crutches. Jimmy, a sophomore, says that his leg is coming along fine.

In the junior high math classes the students are making scrapbooks on problems in insurance and taxes.

The senior class asked Harvey to remind all students of the coming Cole Brothers Circus to be held in the gym on March 9. There will be a matinee and an evening performance.

Also, soon to be seen by the lucky A. C. S. students and public is the annual senior play to be held March 16. It is under the leadership of Mrs. Mary K. Baker.

Monday night Harvey was allowed to accompany Mr. Barts, Eunice Hall, Mary Brown, Charity Howland, Gay Rogers and Colleen McAndrews to the Allegany County School Press Association dinner held at Belfast. Each school attending put on a short skit and Belfast won first
