HIGH SCHOOL ACTIVITIES TAKE TIME

By Eunice Hall

One of the major purposes of any activity program is to teach citizenship. Most every school provides actual play and work experiences in order that students may learn to work together, to lead and to follow.

But as a result of the many activities that are common to schools, class time sometimes suffers. It is not possible to have all of the desirable activities after school hours because many students work, and others ride buses to get home. Therefore, it has seemed necessary to hold certain types of activities during regular school hours.

To conclude this I will add the following statements. High schools give an average of nearly two weeks of school time yearly to activities. The smaller schools lose a greater length of time because the same students participate in so many activities.

Activity programs are commonly kept within the limits of school facilities and trained personnel. Possible improvement in these programs could be accomplished through attention to selection, organization and supervision of activities.

ST. PATRICK'S DAY

By Joyce Spicer

Every year on March 17 everyone begins rummaging for a green togging to observe St. Patrick's Day.

Many legoinds grew up in Ireland about St. Patrick, a patron saint of Ireland, whose special day the Americans as well as the Irish, celebrate on March 17. St. Patrick, who was born in what is now Scotland, is said to have forced the snakes to fling themselves into the sea. According to another legend, when some converts questioned the doctrine of the Trinity, St. Patrick ended the argument by holding up a shamrock leaf as an example of "Three in One." In addition it was claimed that on March 17, twelve days after his death, there was no day or night.

In observance of this day the wearing of the green has become the custom of many persons. Many dances, parties and other social gatherings are held on this customary day. So in remembrance of this day many folks will turn out for St. Pat's Dance this coming Friday night, March 16, in Andover Central school.

WHY I LIKE PEARL S. BUCK

By William Glover

Mrs. Pearl Sydensricken Buck, who was born, June 26, 1892, in West Virginia, was taken to China at an early age where she begun to gain the experience which enables her to write so masterfully.

In China all of her brothers and sisters died except an older brother who was sent back to America for his education. At 15 she was sent to a boarding school in Shanghai. Her mother taught her all she had to know to get into college and also the beauty of words which proved to be a great help in later years.

Mrs. Buck went to Randolph-Manon College in Virginia but returned to China where she married and lived seven years. After which she and her husband came back to the United States for a year and then went back to China.

Her surroundings made her a great author because she lived what she wrote. One great thing about her is that she writes with her heart as well as with her head. Her writings of the Chinese people were for the sake and benefit of the people. She wanted the outside world to know and understand the Chinese people. She wanted them to start dealing with the outside and she wanted the outside world to know that China needed everyone's help.

F. H. A. AND 4-H GIRLS SHOWER MISS McCARTHY

The F. F. A. and 4-H girls held a surprise bridal shower for Miss Mary McCarthy at the school Monday evening, March 12, at 7:00 o'clock to present her with a gift, to use in her new home.

Miss McCarthy and Miss Winkleman came to the school to help Miss Sager with some work she had pretended she had to do. When Miss McCarthy walked into the room we all yelled surprise and she surely was surprised.

The evening was then enjoyed by games and daneing. We then went to the cafeteria, where the tables were set with green and yellow place mats and cards and also green and yellow candles.

We all enjoyed refreshments of cake, ice cream and cocoa.

Miss McCarthy was presented with a set of china dishes which were yellow and green.

VOLLEY BALL TEAM TRYOUTS THIS WEEK

By Dean Fisher

Starting Wednesday, March 14 in the gym tryouts for the volley ball team will begin.

An eight man team will be chosen from all high school gym classes and any other candidates who wish to try for the squad.

The team will be picked by the casting of ballots by those who tryout. This squad will represent Andover in the county volley ball tournament on Mar. 20.

Practice will begin at 4:00 p. m. It is good to have coach Witzel back after a long absence due to the flu.

A. C. S. STUDENTS AND SPRING SPORTS

By Kent Harder

Very soon now track and baseball start at A. C. S. The first week or two the students are all enthused and excited over it. But in past years this has always worn off. Then when the season is over the students all sigh and say they knew the team wouldn't go anywhere anyway. Many students and townspeople still don't know that A. C. S. sent several boys to Rochester in track last year. Two of these boys placed in the sectional meet there. The baseball team went to Belfast and played for the county baseball championship. They got edged 3 to 2.

So as we look ahead to this coming season of sports, it appears with full-fledged support of the A. C. S. students the teams should do very well. Anyone can do better and play harder with someone cheering for him. Let's start out on the right foot to show interest and to support our A. C. S. teams.

SENIORS NET $35 ON CIRCUS

The senior class netted $35 on the Cole Brothers Cirus which was held in the Andover Central School gym last Friday with performances in the afternoon and evening.

They also netted approximately $50 on the Boy Scout dinner held in the cafeteria last Thursday evening.

DRUG STORE COWBOYS UPSET WILDCATS 36-29

The Drug Store Cowboys (the faculty twisters) sent the Andover J. V's. down to defeat in the Andover Gym Tuesday evening by playing an exceptional control game.

The Cowboys worked the ball around very well, shooting only when they had good shots and they played a tight zone defense.

The oldsters led all the way 8-7 at the end of the first quarter 17-13 at the half time, 27-22 in the third quarter and finally won out by a score of 36-29.

The Cowboys had only five men with "Effe" Dunham and "Slick" Karcanes being substituted for faculty members to go with "Dead-Eye" Reil, "Baskets" Bronson, and "Speed Boy" Carmody.

LEGION DOWN PANTHERS 41-33

Last Tuesday night on the local hardwood the Andover Legion defeated the Varsity, 41-33, in a hard, fast game.

The Varsity opened very fast and their zone seemed to baffle the town team. The High School boys moved the ball very well and led 13-6 at the completion of the first quarter. Both their attack and zone bogged down in the second stanza but they still held an 18-15 lead. Early in the third quarter the veterans moved into the lead and as the fourth quarter began, they had increased their margin to 29-22. In a wild and wooly final period the Legion scored 12 points to the Panthers 11 to win the game 41-33.

HARVEY

By Charity Howland

Because Harvey was very sick last week, A. C. S. is patiently waiting to read the old news combined with the new.

Harvey welcomes back an old student, Mary Fowler, a junior.

Once again basketball finds the spotlight. The Varsity will play the Legion and the Jay Vees will play the Faculty. This promises to be good and Harvey tells all it's only 25 cents for students and 50 cents for adults.

Harvey and the whole school wish to thank the senior class for sponsoring the circus. It was enjoyed by all.

Ann Marvel received a beautiful gold expansion bracelet from her boy friend, Eddie Cassidy of Belfast.

Alice Bostack is still awaiting the arrival of Paul Briggs from the service.

Marion Milligan still keeps Don Mulconery informed of the news about the halls of A. C. S.

At the show last Saturday night we saw Jocelyn Joyce with Jerry Green.

The junior class is going to hold a dance in the gym on April 13. Music will be by Salty Austin. Admission is 75c per person or $1.40 per couple.

Over the past week-end Marie and Pat O'Laughlin of Coleman, Michigan were visitors in Andover.

Harvey intends to send a bushel of onions to Evan Dolan for being late to Latin class and a bushel of orchids to Eunice Hall for her very interesting news reports.

The Music Festival will be held in Fillmore this year. Band day will be on Friday and chorus day is Saturday.

Movies are being shown to the grades in Mrs. Hall's room and the science room on Monday, Wednesday and Thursday at noon.

F. F. A. NEWS

When Mr. Bronson and the F. F. A. boys attended the County Future Farmers of America's banquet at Alfred-Almond school they put on a safety skit. The characters were: Commentator Paul Clark; Peter Tumbledown, Carl Walters; Mr. Brown, Wayne Atwell; Clem, James Miles; Johnny, John Baker; Julius, Carl Atwell; Mike, Paul Clark, stretcher bearer, Dick Nye and Willie, Roger Wright. All the boys had a good chicken dinner and a fine time listening to the speakers, observing other skits and putting on their own skit.

Mr. Bronson and his Ag. III and IV class have just completed their new grain elevator for their seed cleaner.

All the F. F. A. members who can get transportation are going to the Annual Farm and Home Week at Ithaca, March 19.

All the F. F. A. boys have entered their placings for the Dairymen's cattle judging contest.

The boys have planned their annual Father and Son banquet for the 5th of April.

Soon all the boys will be planting trees again.

VETERANS' News Letter

"Armed Forces discharge papers are important for every veteran, his dependent and next-of-kin. Even more important, they must be accurate in every detail," declared Raymond F. Shear, Director of the Allegany County Veterans' Service Agency and Counselor Richard Dalmian of the New York State Division of Veterans' Affairs in a joint statement today.

They pointed out that the obtaining of many benefits by veterans is predicated on the information and data outlined on their discharge papers and other papers relating to military service.

The veterans' officials cautioned veterans to check their service records to make sure all information is correctly recorded. Any errors or discrepancies should be reported immediately.

Assistance in securing correction of discharge papers may be had by contacting the County Veterans' Service at the Court House, Belmont.

THE GRANGE NEWSLETTER

by E. Payson Smith

CIVILIAN DEFENSE is not receiving enough support from the "civilians" it is supposed to "defend", according to what we hear from folks concerned with organizing local groups. Some communities have accomplished a great deal in settting up plans for fire, first aid, evacuation, transportation, etc., in the event that we are bombed. Others, and we consider this an ostrich-like behavior, refuse to consider the possibilty of such disaster. We have no doubt that the first bomb would galvanize us all into concerted action. Trouble then, if no forethought has been given, is that our efforts would amount to panicky, ineffectual hysteria, with more danger than need be. We may not like dress rehearsals for a play that may never come off, but we suggest you learn your parts.

Rural communities which have made no defense plans could well use their local Farm Security Committees set up by the N. Y. S. Conference Board of Farm Organizations as a nucleus. See your Pomona Master.

YOUTH PROGRAM in the Grange will be furthered if county youth committees are formed as quickly as possible. Elton Borden, state chairman, and Henry Sherwood, State Master, have sent out notices calling attention to this first step in getting this work started. Our Grange Youth Program was one of the enthusiastic actions to which delegates to the last annual sessions gave particular attention. It will not be too long before the summer conference will be held, and plans should be under way to prepare for this.

GREENE GRANGE, over in Chenango county, will receive its award for gaining honorable mention among the top ten Granges in the country in the 1950 Community Service Contest. Cash award of $500 will be presented by a representative of the Sears Foundation, co-sponsor with the National Grange and State Master Henry Sherwood, who is also National Overseer. Greene Grange won first place in New York also.
