Army To Screen Reservists

Beginning April 1, 1951 the Army will screen all of its reservists. This will be known as the Organized Reserve Corps Service Evaluation Program. The purpose of the screening is that the Army will have an accurate and up to date source of information as to the physical, availability status, education, occupational, military qualification, desire, and interests of the reservist.

All reservists will receive shortly forms and questionnaires to be completed and returned to their unit instructor. At that office the forms will be screened and then forwarded to headquarters. At the headquarters they will be asigned a primary and secondary military occupational specialties and a mobilization availability category. The mobilization availability catergory is for planning purposes only.

All members of the Active Reserve will be informed upon receipt of these questionnaires where and when to take a physical examination. This examination is anintegral part of the evaluation program. Medical examining boards will be set up in Jamestown, Olean and Dunkirk. Physicians and Dentists in these three locatities have graciously donated their time and effort to make this part of the program a success.

Woman's Relief Corps

Edward Seamon Woman's Relief Corps, No. 155

It is with extreme regret that we announce the death of a beloved member of our order, Pearl Margaret Joyce.

Mrs. Joyce joined Edward Seaman Relief Corps No. 155, August 6, 1948 and passed away Thursday evening, March 29. She had held the office of first color bearer in our Corps.

Last June she attended the 68th annual convention of Relief Corps, Department of New York held at Utica and acted as an aide during the three day session, and had made plans to attend the convention this year, to be held in Buffalo, acting again as Aide.

In the death of Pearl, the members of our Corps have lost a kind and loving friend. One who was always ready and willing to lend a helping hand whenever needed.

Active and interested in the Relief Corp's work, her pleasing personality endeared her to all who were priveledged to work with her.

To the family our Corps extends our deepest sympathy.

Loving and kind in all her ways,
Upright and just, to the end of her days.
Sincere and true, in heart and mind,
Beautiful memories she has left behind.

Officers and members of
Edward Seaman Relief Corps
