Surrogate Court

Letters of administration were granted to Louis Joyce of Andover, son, on the $1,500 personal and $2,000 real property estate of Mrs. Pearl M. Joyce of Andover, who died March 29. Heirs are a daughter, Mrs. Julia Neville of Conklin and three sons, Louis, Donald L. and George R. Joyce all of Andover.

Miss Alice M. Nobles of Andover, daughter, was named administrix of the $900 personal and $1,500 real property estate of Frank Nobles of Andover, who died March 3, leaving eight children as heirs. The heirs are: Mrs. Bessie Babcock, Wellsville; Mrs. Hettie M. Blackman, Hinsdale; Mrs. Clara N. Sutherland and Mrs. Sarah J. Sutherland, both of Andover, and the administrix; daughters: and John F. Nobles, James W. Nobles and Eugene C. Nobles, all of Andover, sons.

Healthy calves can be raised and 300 pounds of whole milk can be saved for market if dairy calves are fed suitable milk substitutes, according to research at the Cornell Agricultural Experiment station.

If you cannot win, make the one ahead of you break the record.

For The First Time In This Community!

You and your friends are cordially invited to join with us as "We Salute American Agriculture" . . . . and to be among our guests as we present the great Technicolor motion picture WAVES OF GREEN for the first time in this community. This is the thrilling story of how farmers, farm industries, farm scientists and farm educators in our Land-Grant Colleges have worked side-by-side to make this land of ours the greatest agricultural nation on earth! This is to take place Thursday evening, April 26, 1951 at 8:00 p. m., in the Andover Central School auditorium. Do plan to come and also plan to attend the square dance after the movie!

VETERANS' News Letter

Veterans of World War II planning education or training under the G. I. Bill are reminded by Raymond F. Shear, Director of the Allegany County Veteran's Service Agency, that the July 25, 1951 cut-off date for starting courses is only three months away.

This coming summer school term will be the final most veterans may enter or re-enter before the deadline, so if they plan to enroll its not to early to start making arrangements now.

The 1951 deadline applies to most World War II veterans—those discharged from service before July 25, 1947. Those discharged after that date have four years from their discharge date in which to begin.

Veterans actually must have commenced their training by the cut-off date if they want to continue afterwards. A veteran must be in training on that date unless he has temporarily interrupted his course for summer vacation or for other reasons beyond his control.

Once he completes or discontinues his couse of G. I. Bill training after the deadline he may not start another course.

Further information or assistance my be had by calling at the Veteran's Service Agency or by contacting Mr. Richard Dzimian, State Veteran Counselor, at the Court House in Belmont.

HAPPENINGS of Local Interest

A motor vehicle Bureau spokesman has announced that only a small date tag will be issued in 1952. So your present auto plate will have to last two years.

Bostwick is an unpredictable as the weather. This week he states that his store will be open next Monday, Tuesday and Wednesday, April 23-24-25.

Governor Dewey has signed a bill which doubles the insurance a motorist must carry after he has had a serious accident. The new law raises the mimimum to $10,000 and $20,000 following a serious accident.

Paul Saunders of Alfred, official weather observer in this area reports that the snow fall this past winter was eight inches above the 60-year average, but below last year. The total snow fall this year was 78.8 inches while last year 96.7 inches was recorded.

Allegany County is $52,113.42 richer in the receipt of it's share of the first quarter of the motor fuel taxes distrubuted to counties this week.

Miss Mary Ray, daughter of Mr. and Mrs. Francis Ray, former Andover residents, has been named Salutatorian of the senior class at Whitesville Central School. Harold E. Bloss, son of Mr. and Mrs. Harold L. Bloss is Valedictorian.

Sacred Heart Church in Angelica will observe its centenial Friday, Saturday and Sunday, with the most Rev. John F. O'Hara, CSC, Bishop of the Buffalo Diocese presiding at 11:00 o'clock Sunday at a solemn mass of Thanksgiving. The Angelica Church was the second Catholic Church built in Allegany county and is the oldest Catholic church now in use in the county. The first church was built at Scio.

The New York State Farm Bureau Federation has announced a vacation tour through the western states this summer starting on July 12 and returning on August 1.

Miss Marilyn J. Hardy, Who has been employed by the New York Telephone Company, as long distance operator for the past four years, has been promoted to the position of Junior Service Assistant in the long distance office in Buffalo. Miss Hardy has satisfactorily completed the required period of training for supervising.

The King's Daughters will hold a food sale at the Red & White Store this Saturday, April 21.

Wave Recruiter Will Visit Olean

Chief Petty Officer Dolores Schulenbery, Wave Recruiter for this area will be at the Navy Recruiting station in Olean, from 8:00 a. m. until 4:30 p. m. on April 25 for the purpose of interviewing and accepting applications for enlistment in the Waves.

The Navy has doubled it's quota for women and a wide variety of jobs are open for women who can meet the qualifications.

Applicants must have reached her 20th but not her 26th birthday, must be high school graduate or the equivalent, must be a citizen of the U. S., unmarried and without dependents.

"The Old Friend"

There is no one like the old
friend to talk to when your
blue,
It cheers you up without end to
know they care for you.
Amid a lot of strangers, an old
friend seems to bring,
To a bleek and dreary winter a
little bit of spring.
Just to talk of things of long
ago may bring a tear or smile,
But to talk to someone you really
know is what makes life worth-
while.
Like the old friends you knew
of youre though they are far
away,
They are friends of yours for-
ever more, in your heart they-
re there to stay.

County D.H.I. Meets Here

At a meeting of the Allegany County Dairy Herd Improvement Association held at the Andover Central School last Tuesday, two directors were elected: Clark Lucky of Black Creek and Clare Merrick of Portville, who replace Robert Totten of Cuba and Charles Clarke of Andover whose terms expired at that time. Other directors of the Association are: Frederick Sisson, Andover; Ceylon Snider, Fillmore; Leslie Swarthout, Friendship and Burton Benjamin, Angelica.

President Ceylon Snider introduced three new testers who have recently been employed by the Association: Lyle Lawton, Belfast; Maynard Thompson, Cuba and Millard Beard, Black Creek.

Secretary Totten gave a report of the business transacted during the year, including the incorporation of the Association to be known as The Allegany County Dairy Herd Improvement Association, Inc.

Burton Benjamin gave a report of the progress of the state DHIA which was formed a year ago to make more efficient use of records sent in to Ithaca by dairymen in the state. Discussion followed as to whether this county should join the state co-operative. A vote of approval was passed by members, thus availing themselves of the opportunity offered by the State Co-operatives to further improve the quality of dairy herds.

Following the business meeting Richard Fricke, assistant county agent leader in New York State, gave a very interesting talk on his travels in Europe as agriculture consultant to the State Department. His main purpose is to promote the extension program in Germany. He stated that the American policy is to give Germany enough food and other material to make it self sufficient with nothing in return.

Neary two hundred were served a delicious dinner in the school cafeteria by the Andover Grange preceeding the meeting.

Oversleeping will never make your dreams come true.

"Cuprinol"

The Water-Repellent Wood Preservative

DOES TRIPLE DUTY ON WOOD

PREVENTS	STOPS	CONTROLS
Swelling	Rot	Grain Appearance
Warping	Termites	Grain Raising
Shrinking		Checking

To be conservative, we say that "CUPRINOL" doubles the life of wood. Actually many times "CUPRINOL" has made wood last six or more times as long as untreated wood. Sash, Doors, and Windows treated with "CUPRINOL Wood Preservative" at installation, won't shrink, stick or jam. "CUPRINOL is water repellent — it keeps moisture from swelling, warping and shrinking seasoned wood. On plywood and other soft woods, "CUPRINOL" subdues over-prominent grain patterns, and brings out the natural beauty of the wood when stained. It stabilizes the wood fibers, and minimizes checking. It also prevents grain raising, eliminating the high and low areas that make sanding necessary between coats of paint or varnish. "CUPRINOL" is easy to apply — just brush, spray or dip. When brushed on, "CUPRINOL" covers approximately 400 sq. ft. of surface per gallon — amounting to about 1 cent per surface square foot—"CUPRINOL" makes wood serve you better! Try it on new jobs and you be the judge.
