Wife (coyly)—You used to steal kisses from me before we were married.

Husband — Well, you heard what I said.

The stage is all set for the "big show" of the year, the seventh annual Exchange Club Minstrel Show, which will be presented at the Andover Central School Auditorium this Friday and Saturday, May 4 and 5.

James B. Mulholland will preside over the circle this year with the black face artists being "Chuck" Holt, "Bugsy" Karcanes, "Bob" Baker, "Willie" Harrison, "'Chick" Gath and "Mike" Gath. The circle also includes James Kessler, Paul Kilbane, James Backus, Larry Bartz, Richard Potter, George Holden, John Richardson, Earl Richardson, Basil Dunham, Harold Rice, Kirby Hames, Kenneth McClure, Kent Harder and Clarence Kibbe.

A sextette from the high school will sing and the circle will be supported by the High School Girls Chorus.

Inside information has given us some facts and raises several questions.

"Chuch" Holt is going to perform an operation on somebody with startling results. Somebody in the audience is going to be hit with a brick. How does the new dial telephone rate with the old type? Is Jim Mulholland really going to sing a song? What is "The Thing"?

If you want to find out don't fail to attend the Seventh Annual Exchange Club Minstrel.

Tickets for either night can be obtained at Baker's Harware, Clair's Pharmacy or the Andover National Bank.
