Mick Baker: Long ones, Sir!

HALL OF FAME

Turning this week's spotlight toward the senior homeroom, we find Eunice Jane Hall, daughter of Mr. and Mrs. Mitchell Hall, who live in Friendship, N. Y.

Eunice was born September 14, 1933, in the town of Ward. She is the oldest of four children and has a brother, Irvin as well as two sisters, Dolores and Janice.

After beginning school in Scio, Eunice found herself spending her next two years in Allentown. Her family then moved to Lindbergh where she attended school. Kenmore Junior High School was the scene of her eighth grade graduation.

Her first year of high school was spent at Franklin Academy in Malone, N. Y. She attended A. C. S. for the remaining three years and is now looking forward to becoming a nurse after graduation.

As a member of the Hi Herald during her junior and senior years, Eunice has been a very capable editor for the past year.

She has been a member of the band for four years, orchestra for three and chorus for two years during her high school career. As a library council member she served as treasurer during her junior year and president during her senior year. She has also been a member of the 4-H, F. H. A. and Camera Club.

Eunice Jane Hall

As her favorite quotation Eunice has chosen "It is better to be called late—learned than unlearned." Her philosophy of life is 'He is wise who talks but little."

BASEBALL SEASON SUCESSFUL SO FAR

By Dean Fisher

So far Andover has had a very successful season, winning five while losing only one to lead the league.

The Panthers took the measure of Allentown, Scio twice, Richburg, and Whitesville before being edged out by Allentown. Their closest rival is Richburg who has lost but two games.

"Spider" Atwell has proved to be the ace of the mound staff so far as he has racked up three victories without a defeat. Rookie "Les" Monahan, the local's lean curve-baller, has almost kept pace with Atwell by winning two games while losing but one. Lefty Harder has done commendably in his relief chores and looks like a fine hurling prospect. The hitting has been tremendous with catcher "Pete" Howland pacing the attack with with two home runs, several triples and doubles and a flock of runs batted in.

The Panthers next game is on the local diamond against Whitesville this Thursday, May 31.

MEET OUR TEACHERS

By Gay Rogers

Moving the spotlight down the hall to the seventh grade classroom and Junior High Math room we find Mrs. Margaret Joyce, who was born in Angelica, New York. She now has three children, Denny, Ellen and Mike. Mrs. Joyce, who lives on Second Street in Andover, enjoys playing bridge and likes to build and remodel houses.

Some of her likes and dislikes are: in the movie, Spencer Tracy and Elizabeth Taylor in "The Father of the Bride," on the radio, Margaret Whiting and Morton Dawney singing "If" and in the kitchen her favorite is Miss Grossman's brown bread. Her favorite book is "Penrod" by Booth Tarkington.

Mrs. Joyce, who has been teaching fifteen years, attended school at Geneseo and Buffalo State Teachers College.

Teacher: What is an echo?

Dale Green: The only thing that ever cheated my girl out of the last word.

Pat Sackett: (In traffic court) I had to run into that fence to keep from hitting the cow.

Judge: Was it a Jersey cow?

Pat: I don't know. I didn't see its license plates.

HI HERALD VARSITY AND CUB STAFF ANNOUNCED

KITCHEN KORNER

"What's new for your home?" Here are a few time saving developments for the homemaker and a few hints for cleaning, etc.

The corn cutter—slices kernels off tha cob as you slide the ear along the groove and over the curved blade. You can adjust it to cut cream style.

A butter cutter (can be bought at any ten cent store) makes neat pads for the table and also stores the butter in a clear plastic container.

A bent mirror, pleases both young and old. The lower half tilts downward for the child, while the top tilts upward for the adults.

Here's a hint for cleaning grease off that leather jacket. To remove the grease first dampen the leather surface with water using a wad of absorbent cotten or a small sponge.

With another sponge or wad of cotten apply an oxalic acid solution evenly over the soiled surface. This solution consists of oxalic-acid powder or crystals (you can get them at most drug stores) 1 part to 10 parts water.

After the spots have been removed with oxalic acid, apply saddle soap to the leather and polish with a soft chamois or cloth.

TWO ANDOVER CINDERMEN BREAK RECORDS

Last Saturday morning the A. C. S. track team journeyed to Alfred University to place third among schools from Cuba, Allentown, Alfred-Almond, Whitesville, Bolivar and Friendship in the fifth annual B and C track meet of Allengany County.

Jack Wheaton tossed the shot-put for a record throw of 47 ft. 1 1-4 inches and Dean Fisher, another senior, cracked the quarter mile record by flashing over the finish line in 53.8 seconds.

Brilliant performances were turned in by "Rich" Davis and "Lefty" Harder in the 100 year dash, Vic Daley in the 220 yard dash, Wayne Atwell in the mile run, and the relay team consisting of "Rich" Davis, "Charlie" Snyder, Vic Daley and "Arch" Baker, and "Les" Monahan in the high jump.

Potter of Allentown also shaved two seconds off the 880 yard run for a record of 2 minutes and 6 seconds.

The following boys, who have placed first and second in the B and C meet, will travel to Rochester next Saturday: "Rich" Davis, Dean Fisher, Wayne Atwell, Jack Wheaton and Vic Daley.

IN MY OPINION

By Doug Wheaton

Here are some of the opinions on the Hi Herald given to me by some of the teachers in A. C. S.

The first one I asked was Miss Winkelman, who said, "I like it the way it is."

I then asked Mr. Bartz and he replied, "I suggest that you have a guest writer. Someone who is off the staff."

Mrs. Baker said, "I think there should be more about individual students."

Mr. Carmody thought hard and said, "I think there should be more about sports. Write something about intermurals and other gym news.

When I ask Miss Sager she took pencil and paper in hand and wrote this. "At the present time I believe the Hi Herald is doing an excellent job. The only addition which I feel might be good is to canvass the business people in the area to find out what qualities they look for when employing a high school graduate. These results could then be published and should be very helpful to all concerned.

I thanked her and went to Coach Witzel, where he said "I think it serves a very useful purpose to the school and community. It covers news of the elementary grades and high school which is interesting to everyone. In my opinion its a very fine newspaper.

Mr. and Mrs. Conde thought along the same line and this is what their opinion is. "The Hi Herald news is an excellent contribution to our school. It not only acquaints the student body with school activities but also enables people outside of school to know about school affairs.

The last one I asked was Mrs. Dougherty who wrote "I think the Hi Herald is an excellent high school paper. It includes news and activities of interest to all the students in the school. It gives people outside of school a good picture of school functions."

HISTORY OF TRACK IN A. C. S.

Although Andover Central School had no cinder path of it's own until 1950, our teams have been active in many county and invitational meets.

The first dual track meet ever attended by the locals was held May 14, 1931 on the Wellsville track with Belfast opposing Andover. The final score was 68 to 27 for the purple and white. James Cannon was high for the winners with 17 and was closely followed by Malsom Brundage with 13. The 100-yard dash was taken by Robert Spicer, the 440 by John McHugh, the 220 by James Fuller and the relay by the Andover team, Horace Trask, Robert Spicer, Decatur Clarke, and John McHugh. The shot put event was claimed by Charles Howland, the pole vault by Malcolm Brundage and James Cannon claimed first in the broad jump and discus throwing events. Cannon also tied with Brundage for first in the high jump.

Wellsville was again host to the locals that year for a dual meet with Portville. The final score was 49½ for Portville and 45½ for Andover. Cannon was again high for the locals with Brundage second. Roger Tuttle earned first place for Andover in the mile. Malsolm Brundage took first place in the pole vault, while Cannon again took first in the high jump and broad jump.

On Friday, May 13, 1932 the Andover boys traveled to Olean for a triangular meet with Cuba and Portville. The half mile relay was taken for Andover by the teamwork of James Cannon, Decatur Clarke, Fay Brown and Max Baker. Cannon also took first in discus hurling.

Andover took second place in the county meet held in Wellsville, May 28, 1932. Jim Cannon took first in discus throwing, high jump and broad jump. Second place in the 100 and 220-yard dashs went to Fay Brown. Tuttle took second in the mile and Francis Cable placed second in the shot putting event.

Cannon took first in the high jump and broad jump in the county meet of 1934 which was also held in Wellsville. Joe McAndrew took first in the 100-yard dash while Max Baker took third in the discus event and fifth in shot putting.

First place in both the 100 and 220-yard dash at the Andover-Alfred meet on June 5, 1934 went to Joe McAndrew. Second in the 220 went to Fay Brown and third to Malcolm Brundage. McAndrew took second in the 440 and Brown took third. Cannon took first in high jump, broad jump, pole vault and javelin hurling events. Max Baker took first in the discus throwing. Cannon also placed second in the high jump at the sectional meet in Rochester that year.

In the county meet at Wellsville in 1936, Joe McAndrew smashed the 220-yard record by making it in 23.3 seconds. Don Lynch took first in the half mile and Frank Witter took third in the half mile.

Andover was represented at the sectional meet in Rochester on June 6, 1936 by McAndrew who took third in the 100 and fourth in the 220, Don Lynch who took fourth in the half mile and Farnham Pope who took eighth in the mile.

During the decade after 1936 Andover was proud of such outstanding track men as John Cannon, Jack Horan, Donald Baker, "Bob" Baker, George Karcanes, Charles Holt, "Jim" Holt, "Ron" and "Vic" Clark, Earl Gross and Neil McCormick.

The local track records for 1950 were established on the new track. Victor Daley holds the record for the 100-yard dash with a time of 10.6 seconds. The 220 record is held by Daley and Ronald Atwell, who each ran it in 23.4 seconds. Dean Fisher holds the 440 record with a time of 55 seconds. The 880 record is held by Paul Atwell, time 2 minutes 15 seconds. Charles Snyder holds the local record for high jump with a heighth of 5 feet 3 inches. This lacks five inches of reaching the present county record which was set by Dr. Robert Common of Andover. Ronald Atwell holds a broad jump record of 19 feet 5 inches. Jack Wheaton holds the local record of 42 feet 3 inches in the shot put. One minute and 45 seconds is the record held by Atwell, Snyder, Daley and Fisher for the 880 relay.

After reading this brief history, I hope you will agree with me that track is and always has been a major sport in A. C. S. We have another promising team this year, so let's all get out and support them.

RUPTURE SHIELD EXPERT HERE

H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Sherwood Hotel, Hornell Thursday, only June 7 from 9 a. m. to 4 p.m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments. **Mr. Shevnan will be glad to demonstrate without charge**
