Drill Team to Enter State Legion Parade

The Andover Legion Drill Team is planning on attending the New York State Legion Convention at New York City on August 10 and 11, and entering the parade to compete against the best competition in the State.

Andover took second to Galeton Tuesday night at the Centennial parade in Hornell. Galeton received 97 points to 95 for Andover. Last Saturday Galeton took the Pennslyvania State Championship and will compete in the National Convention again this year. Last year Galeton lost to Milwalkee, Wis., by two-tenth of a point. The team feels confident they are ready to meet the best, and plan on practicing five nights a week for the next three weeks. Making the trip to New York will be 25 men. Sixteen drill team, five color guard, drill Sargent Harold Joyce, Allegany County Legion delegate to the State Convention, Carlyle Myers, business manager Basil Dunham and the drill team has extended an invitation to John L. Cannon, Commander of the local post making the 25th man.

The Andover American Legion is now sponsoring a drill team traveling fund. The team has $125 and at the last regular meeting the Legion voted $75 to the fund, making a total of $200. $500 is needed for round trip tickets by train. All the teams personal expenses will be paid out of their won pockets. The drive will begin tomorrow (Friday, July 20.) No one will be solicilited personally. All donations should be left or mailed to the Andover National Bank, care of the Drill Team Traveling Fund. Drill team members will not solicit or accept donations.

Anyone sending in donations please state your name and the amount donated, so that it can be returned if for some unforeseen reason the Drill Team cannot make the trip.

The Drill Team has had a very impressive record the past three years. Many new men have been added and many have not had previous military training and are now handling rifles like seasoned troops. This year they have a new drill sargeant, Harold Joyce, who is doing a swell job rounding his men into (we think) the best drill team in New York State.

The team is planning to work hard these next three weeks and they'll sure appreciate all the help they can get to get them to New York City August 10 and 11.

Mr. Fuller will handle the fund at the Bank and business manager Dunham will make hotel reservations and purchase train transportation.
