Championship Race at Wellsville Saturday Night

The stock car ethic of the year will be staged at the Wellsville Raceway Saturday night when 30 heavy footed drivers will compete in the annual 50 lap Championship race with the winner to receive a handsome trophy to be awarded by the Atlantic Stock Car Racing Association.

Dutch Hoag of Naples, Gus Nelson of Bradford, Loran Doan of Knoxville, George Egbert of Scio and Dean Layfield of Wellsville, based on previous performances, are conceeded to be the favorites in the race with Jack Thomas and Walt Babitt of Wellsville and Curly Hatfield of Elmira, given more than an outside chance.

Although the above named drivers have massed the greatest number of points during the current season, the 50-lap, 25 mile race is a grueling test on both driver and car, and because of this a rank outsider can very well come through with an upset victory.

Included on the evening's card will be a full program of six races, including the feature with strickly stock cars and semi-modified cars run in seperate heats.

The races scheduled last week were called following the first heat when rain caused an excessively muddy track and proved a hazard to drivers.

Stock car racing has risen to be one of the most popular sports in the country and if you are looking for an evening of thrills, plan to witness the championship race at the Wellsville Raceway Saturday night.

Jacques Rebels

Jacques had not been over from France very long and did not know the language very well; so when he wanted to know the meaning of a word he went to his friend Hodges. One day he came and asked:

"What is him a pole bear?"

"You mean a polar bear? That's an animal that's up in the north, lives on the ice and eats fish."

"I will not be heem! I will not be heem!" cried Jacques excitedly.

"My dear fellow," said Hodges, "no one wants you to be a polar bear."

"But yes monsieur," answered Jacques; "a man next door he die, and ze neighbors say will I be pole bear. But live on ice and eat fish—nevaire!"
