Car Races Saturday. Horse Pulling Sunday

It was predicted last week that almost anything could happen and probably would during a 50 lap Championship Stock Car Race and that just about tells the story of activities at the Wellsville Raceway last Saturday night.

A last minute decision resulted in the running of a 50 lap race for strictly modified cars and a 25 lap feature for semi-modified cars.

Dean Layfield, who won the 1950 Championship race, came through with his second big victory as he shook off all challangers with an average speed of 51.6 mph. Loren Doan of Knoxville went into an early lead but threw a right front wheel in the 21st lap and was forced to withdraw. Dutch Hoag, who usually drives in the modified classification, was entered in the Championship race but he also lost a wheel and although he negotiated six laps on three wheels and a brake drum, he crashed into the fence in the 28th lap.

In the modified feature the race developed into a battle between Curly Hatfield, Dutch Hoag, Gus Nelson, Jack Thomas and Herb Layfield with Thomas taking advantage of the breaks to score his first major win of the season.

Although the Championship race was scheduled to be the final program of the season, track officials have announced that due to the large number of spectators who expressed their desire to have the races continue a regular card of six events will be held this Saturday night.

The gas burners will give way to the hay burners Sunday afternoon at the Wellsville Raceway when area teamsters will compete in a horse pulling contest in front of the grandstand. A spokesman for the raceway stated the prizes will be large enough to draw out the best teams in western New York State.

Interested horseman who desire additional information should contact either Ralph E. Benjamin from Wellsville or Herold Ford at Andover.

The contest is slated to begin at 2:00 p.m. and team owners should plan to have their entry on the grounds by 1:30.

The addition of a horse pulling contest is in keeping with track officials attempts to make the raceway available for diversified spectators entertainment.

Manager: "Didn't you apply for a job here a month ago.?"

Boy: "Yes, sir."

Manager: "And didn't I tell you we wanted an older boy?"

Boy: "Yes, sir, that's why I am here now."

Many Fine Exhibits at School Fair

Andover Central School had 745 entries by 150 individuals at their annual school fair held Thursday under the sponsorship of the Homemaking and Agricultural departments. Displays consisted of clothing 80; baked goods 100; canned goods 160; flowers 30, miscellaneous 25; dairy cattle 32, chcikens, ducks and rabbits 50; with vegetables making up the remainder.

Greatest number of entries and blue ribbon winners in homemaking were: Gay Rogers, Charity Howland, Marion Milligan, Ann Marvel, Sandra Bostwick, Sandra Joyce, Ruth Kemp, Barbara Clark, Joyce Fuller, Clarice Nye, Beatrice Tidd, Alura Grossman, Carolyn Clarke, Shirley Tidd.

Blue ribbon winners of cattle were: Bradley Wright 3; Paul Water 2; Roy Halsey, Dale Green, Charles Gavin, Lynford O'Dell, Gerald Clark.

Outstanding individual winners were: Richard Baker 10, vegetables; Gerald Green 8 exhibits;Patricia Baker 7; Gerald Clark 6, Richard Burger 5.

Ford & Peckham furnished a tractor with which a wagon backing contest was held. Prizes, donated by them, were won by Paul Clark, first; Dale Green, second; Roger Wright, third.

Judges were Laurence Dedrick, County 4-H agent, cattle; Robert Baker, vegetables; Ronald Atwell, rabbits and chickens.

The Andover Exchange Club donated the ribbons and aided the general committee with some business places donating prizes.

M. Elwood Kenyon To Head Welfare Drive

M. Elwood Kenyon of Alfred has been named chairman of the 1951 fund appeal of the Allegany County Public Welfare Committee of the State Charities Aid Association, according to Mrs. Knight Thornton of Wellsville, president of the committee.

Mr. Kenyon, secretary of the Alfred Mutual Savings and Loan Association, served last year as chairman of a special group of the committee which raised funds to purchase a motion picture projector for the County Home. The projector was presented to the Home at the annual meeting of the committee in June.

The forthcoming campaign under Mr. Kenyon's direction will be in furtherance of the Committee's program, which includes activities on behalf of underprivileged children and of the aging population of the county, as well as cooperative work with the Allegany County Department of Public Welfare to help maintain sound standards of public welfare.

The Committee also performs informational services to help the public understand the objectives and operations of the county welfare department.

Contributions to support the program may be sent to Mr. Kenyon at Alfred.

Births

Sept. 21: To Mr. and Mrs. Keith Milgate of Rushford a son.

Sept. 21: To Mr. and Mrs. Wallace Briggs of Caneadea a son.

Sept. 22: To Mr. and Mrs. George Edwards of Cuba a son.

Cancer Society Makes Progress

Thanks to all the cancer minded people in Allegany County, the executive committee of the Allegany County American Cancer Society is now able to see some of the things that they had as goals, accomplished in Allegany County.

The newest projects in operation this year the the transportation program and "The Friendly Red Door." The transportation projects enables volunteers, who are trained, to transport patients to and from Roswell Park Hospital in Buffalo. The "Friendly Red Door" project has been expanded from the initial one which was placed in the county nurse's office at Belmont to four Friendly Red Doors — One in each of the three hospitals in the county, Jones Memorial, Cuba and Fillmore so that patients can now secure all the dressings, etc., free of charge before leaving the hospital.

At a recent meeting of the executive committee, the Hillsdale Plan for earlier cancer detection was considered. This plan will now be brought before the Allegany County Medical Society in November since it must be approved by them before it can be taken up as a project.

Darling Speaker At Mental Health Institute

Dr. C. Douglas Darling, a psychiatrist widely known for his work in the mental health field, will be the luncheon speaker at the Institute on the Mental Health of Children and Youth to be held in Wellsville on October 18.

Dr. Darling's topic will be "The Mental Health Problems of Young Adults." Rev. Albert N. Rogers, Chairman of the Institute, pointed out that Dr. Darling is in great demand as a speaker on mental health topics. At present, Dr. Darling is a member of the Department of Clinical and Preventive Medicine at Cornell University. He is chiefly concerned in this department with mental hygiene and psychiatric work with students.

The luncheon meeting is part of an all day Institute being conducted by the Allegany County Mental Health Association. The Institute is open to all interested people, and is expected to attract physicians, clergymen, teachers, social workers, parents, and other interested in the mental health needs of young people.

Serving on various committees making preparations for the Institute are the following people:

Rev. Albert N. Rogers, Alfred Station, Institute Chairman.

Dr. Roland L. Warren, Alfred, Publicity.

Mrs. Ramon F. Reynolds, Alfred and Mrs. Leo Hunt, Belmont, in charge of Registration.

Mrs. E. W. Briggs, Jr., Wellsville, in charge of local arrangements.

The Allegany County Mental Health Association has as its purpose to provide an organization for citizens and to work for the conservation and advancement of mental health, the prevention of mental maladjustments and disorders, restoration of mental health, and rehabilitation of the mentally handicapped.

Last year's Institute, along with the present ones, are part of the program of the Association in promoting the interests of mental health for the Citizens of Allegany County.

Overseas Mailing Date For Christmas Parcels

Overseas Christmas packages must be mailed between October 15 and November 1.

Greeting cards may be mailed overseas any time before November 15, with airmail greetings acceptable until December 1.

Parcels destined for Japan, Korea and the Pacific area should be mailed early, preferably not later than November 1.

Federal instructions concerning overseas mailing follow:

The term "armed forces overseas" includes the personnel of the nation's armed forces, members of their families and authorized United States civilians employed overseas who receive their mail through an A. P. O., care of Postmaster, New York, N. Y.; San Francisco, Calif.; New Orleans, La., or Seattle, Wash., or Fleet Post Office at New York, N. Y., or San Francisco, Calif.

The size and weight restrictions for mailing domestic parcel post are applicable to Christmas parcels for the armed forces except that a limit not to exceed fifty pounds has been established for parcels addressed for delivery to A. P. O.'s 124, 125, 147 and 179, care of Postmaster, New York.

Boxes for overseas transmission must be of strong construction because of the great distance these parcels must be transported and the handling and storage they must undergo.

Boxes of metal, wood, solid fiberboard or strong, double-faced corrugated fiberboard, testing at least 200 pounds, are urged

Each box should be securely tied with strong cord, preferably by four separate pieces, two lengthwise and two crosswise, knotted at crossings.

Sealing the flaps with gummed tape where they meet strengthens the box, but the use of such tape alone is not satisfactory since the tape loosens if the boxes become wet or exposed to moist atmosphere.

Boxes should contain sufficient cushioning material so that the contents will be tightly packed to prevent any rattling or loosening of the articles within the parcels. Unless completely packed and tightly filed, boxes are likely to be crushed.

It is also desirable that all fiberboard boxes be securely wrapped in heavy paper, which materially strengthens the boxes.

In addition to the usual articles normally prohibited in the mails, matches of all kinds and lighter fluid are unmailable.

Cigarettes and other tobacco products are prohibited transmission for delivery thru APO's.

Other articles specifically prohibited by prior orders for transmission to certain A. P. O. destinations are likewise prohibited in Christmas packages.

Addresses must be legible and prepared in typerwriting or ink.

It is preferable that the outside addresses be hand-printed directly on the wrappers of the boxes rather than on lables pasted to the wrappers since experience has shown that the labels frequently fall off when subjected to moisture.

Freezers & Milk Coolers

Up right freezers have seperate doors for each shelf and freezing fluid under each shelf, also drop in deep freezers.

Milk Coolers, all sizes, including those that open from the side eliminating the lifting of milk cans in or out.
