New York Farms Well Supplied With Grain

Albany, Nov. 5—The quarterly survey of grain stocks indicates that New York farms are well supplied with home grains and roughage supplies will also be adequate.

The stocks of oats on New York farms on October 1 were estimated at 33,129,000 bushels. The stocks include the part of the 1951 crop not yet fed or sold, and the carry-over from the previous year.

Barley, rye and soybean stocks never large in amount, are equivalent in weight to about 3,751,000 bushels of oats, being 12 percent more than a year ago.

The 6,398,000 bushels of wheat remaining on New York farms October 1 was only four percent below a year ago and exceeded the 10-year October average by 33 percent.

Old crop corn for grain from the harvest of earlier years totalled 1,419,000 bushels, eight percent more than last year. Little of the new corn crop is husked before October.

Swish satin scarves and blouses join partners with tweed skirts and suits in the 1951 fall and winter fashion parade.

FARMERS!!

Save Money and Buy Your Farm Equipment for Next Spring This Winter While it is Cheap and Available.

1951 Christmas Seal Features Santa Claus

One of the world's most familiar symbols of unselfish giving, Santa Claus, is featured on the 1951 Christmas Seals, which will reach homes of Allegany County residents through the mails on November 19, Mrs. Wayne Stout, County Seal Sale Chairman, said this week.

The 1951 sale of Christmas Seals will be conducted by the Allegany Health and Tuberculosis Association from Nov. 19 thru Christmas to raise funds for the tuberculosis control work of the Association.

"In my opinion, the artist could not have selected a more appropriate figure for the Christmas Seal," said Mrs. Stout. "To adults and children alike, Santa Claus represents unselfish giving and the unselfish gifts of the American people in the last 45 years—their annual purchases of Christmas Seals—have helped immeasurably in this nation's fight against tuberculosis.

The red, chubby face of Santa Claus is portrayed on the Christmas Seal against a green-blue background. The designer, Robert Stephens of Newark, N. J., used as a model a clay Santa Claus he had fashioned for his small daughter.

Mrs. Stout stated that the design was selected from 44 submitted by artists throughout the country by the Christmas Seal Sale Advisory Committee of the National Tuberculosis Association. The committee is composed of representatives of tuberculosis association staffs.

Just as the Christmas Seal is always sold to raise funds to fight TB, so it always, too, bears the emblem of the international campaign against tuberculosis—the Double-Barred Cross, according to Mrs. Stout. The Double-Barred Cross, a modification of the Cross of Lorraine, she said, is the registered insigna of the National Tuerbculosis Asso. and it's 3,000 affiliates.

HAPPENINGS of Local Interest

There will be a variety shower given in honor of Mr. and Mrs. Richard Nye, Saturday night November 10th at the West Greenwich Grange Hall. Please bring dishes, silver and sandwiches for your family and jello or cake. The public is invited.

Four Wellsville Service Stations were victums of robbers Friday night. Shorts Service Station on Dyke street, Sinclair Service Station on Main street, F. L. Wedstead Sales and Service on Pearl street and Peter's Friendly Service on Pearl street were entered with a small amount of cash and merchandise taken.

Another freak of nature is reported in Wayland, when two dwarf rose bushes have pretty pink rose blooms above an inch of snow in the front yard of Mr. and Mrs. Ray Eff's residence.

Livestock buyers from all over the state purchased 44 steers, 63 sheep and 84 hogs at the Second Annual New York Fat Stock Show and Sale held at Caledonia last Friday.

November 11—17 has been proclaimed by Governor Thomas E. Dewey as "American Education Week." A radio broadcast under the auspices of the New York Teachers Association will be given Thursday evening November 15, from 8:30-9:30 P.M. to be heard in this area over station WHAM, Rochester.

The last of the 700,000 cubic yards of concrete was poured last Thursday at the massive Mount Morris Dam project. The dam at 282 feet is the fourth largest east of the Mississippi and will be in operation next spring.

Two fraternity houses, the Theta Gamma and Klan Alpine of Alfred were burglarized of $174. in cash early Wednesday morning.

Notice of Meeting To Hear Complaints in Relation to Assessment Roll

TAKE NOTICE, That the assessors of the Village of Andover, N. Y., have prepared their assessment roll for the current fiscal year; that a copy thereof has been filed with the undersigned, Frances B. Rogers, at her office in said Village, where it may be seen and examined by any person at all times during business hours until the third Tuesday of November, 1951, and that on said third Tuesday of November, 1951 at the Village Office, between the hours of 6:00 p.m. and 10:00 p.m. in the evening, the Board of Trustees and the Assessors will meet for the purpose of completing such assessment roll and of hearing and determining complaints in relation thereto on the application of any person considering himself aggrieved thereby.

Allegany County Conservation Day Proclaimed

November 19, the tenth anniversary of the formation of the Allegany County Soil Conservation District by the Board of Supervisors of Allegany County, will be County Conservation Day proclaimed by Ferd R. Shear, Chairman of the Board of Supervisors.

This is the tenth anniversary of the formation of the District under the laws of New York State and with over 1,300 farmers cooperating(Allegany County the 11th Soil Conservation District to be formed in the state, now leads in number of farmers actively installing conservation measures. The text of the resolution adopted by the Board of Supervisors is as follows:

"WHEREAS: November 19 is the Tenth Anniversary of the Formation of the Allegany County Soil Conservation District by the Board of Supervisors under the laws of New York State, and

"WHEREAS: The accomplishments have been notable above all expectations including work on over 1300 Allegany County Farms with such definite erosion control measures as:

9,459 acres strip cropping
9,170 acres tree planting
225 farm ponds
96 acres marsh development
175,000 L.F. streambank control.
26,221 acres woodland protection and improvement, and

"WHEREAS: This work has done much to control soil and water runoff on areas like Baker Valley in West Almond, where land improvement has been 100 per cent accomplished, now,

"Therefore Be it Resolved, the Board of Supervisors of Allegany County declare November 19, 1951 the tenth anniversary of the Allegany Soil Conservation District— Conservation Day For Allegany County."

The Allegany Soil Conservation District Board is now composed of Hugh Chamberlain, Caneadea; Clair Baker, Black Creek; Arthur Genung, Andover; Karl Vossler, Wellsville and Leon Benjamin, Cuba.

Robert Reed, District Conservationist, has been associated with the Soil Conservation District as Federal representative planning district operations in cooperation with the Directors since the start of the District.

Recently the Allegany County Soil Conservation District was awarded recognition as the outstanding Soil Conservation District in New York State.

Conservation work is a must if we are to protect our soils and conserve our water resources. Every farm and property owner should be a Conservation Farmer—Are you?

Self-Employed Must Get Social Security Card

Are you one of the millions of self-employed people newly covered under Federal old-age and survivors insurance? If you are, you need a social security account number card, according to Roy Grove, manager of the Olean social security office.

"Self-employed people who were brought under the Social Security Act by last year's changes in the law will report their net income from self-employment at the same time they make their Federal income tax returns early next year," Mr. Grove said. At that time, they will enter their social security numbers on the tax form with other information.

Mr. Grove indicated that although the numbers will not be actually needed until early next year, self-employed businessmen should apply for them in the near future. This will help avoid any delay when the numbers are needed.

If you have ever had a social security number, that same number should be used." Mr. Grove said. "If you've lost your card, we can get a copy of it for you, bearing the same number."

Both new and duplicate cards can be obtained through the Olean social security office. The address is 139 North First street, Olean. Mr. Grove asks all self-employed people who have any questions about their coverage under social security to get in touch with this office.
