In turning over the gavel to Master Smith, Henry Sherwood reminded the new Master and the delegates that Grange is made up of thousands of good Americans who deeply feel their responsibilities to our country in these trying times, and that with their help, our new leader will capably represent this important agricultural voice.

Dentist-Will you have gas before I pull your tooth, madam?

Patient-You don't suppose I'm going to let you tinker with my teeth in the dark, do you?

She: "I see by the paper that a widower with twelve children has just married a widow with nine."

He: "That's no marriage, that's a merger."
