Farm Bureau Membership To Exceed 2000

Charles W. Wightman, chairman of the Allegany County Farm Bureau Executive Committee, has announced that the recent Civil War between the North and South in the Membership drive resulted in a victory for General Bayard Bliss' Northern Cornhuskers. Gen. Paul Regan was the commanding officer of the Southern Grasslanders. Harold Steenrod, Chief of Staff of the two armies presided at the Round-up, held in the Belmont Central School, Wednesday evening, November 7. At this meeting the spoils were divided which is a fertilzer test plot to be established on a farm of the winning North Side. More than 500 people attended the Round-up, witnessing the Victory Celebration and enjoying the entertainment of Salty Austin and his Serenaders.

At the Round-up 1779 members were turned in with several committeemen yet to report. Mr. Wightman, chairman of the committee, felt that the membership would go considerably over the 2000 anticipated goal. The chairman urged all farmers who had not yet joined to either contact their local committeeman or send the membership directly to the Farm Bureau office.

Record Turnout Enjoy Legion Youth Night

A record turnout of 114 students enjoyed themselves at the Legion's third Youth Night last Monday evening.

The evening started with a hayride with tractors and wagons provided by Carl Childs, Edward Joyce, Erwin Fisher, Charles Gavin and Harry Smith. The ride went up Pingrey and down Swain hill. One wagon broke loose from the tractor and a few of the students took a ride out through a hay field, coming to a stop in the middle of the field. No one was hurt and the party preceeded back to the Legion Home where the Legion Auxiliary had cocoa and cookies waiting for them. The students then danced until 10:30, music being provided by "Slim" Lehman, Ruth and George Braughton.

This has been the most sucessful Youth Night so far and plans are already being made for the next Youth Night to be held on Dec. 3rd.

45th Annual Christmas Seal Sale Opens

A jolly, pixy version of the ageless Santa Claus—from red, fur-trimmed cap to copious white beard—peers out from the 1951 Christmas Seals, which Allegany County residents will receive in the mail next Monday, Nov. 19, according to Mrs. Wayne C. Stout, county Christmas Seal Sale Chairman.

Conducted by the Allegany Health and Tuberculosis Association, the 1951 Christmas Seal Sale, to raise funds to finance its tuberculosis control program during the coming year, will open Nov. 19 and continue through Christmas.

"The familiar face of Santa Claus on these Christmas Seals reminds me that Santa traditionally represents unselfish giving, which is a most appropriate symbol for the tuberculosis association,' Mrs. Stout said. "But we think of Santa Claus only in connection with the Christmas giving, whereas the association gives generously of its services the year 'round to fight against tuberculosis in this county. Santa Claus on the Christmas Seal also points up the fact that with the purchase of Christmas Seals, each one of us is actually giving ourselves a certain measure of health insurance, for with Christmas Seals we help finance services which are offered to protect us against the dread disease, tuberculosis."

The program of the Tuberculosis Association, supported entirely by the sale of Christmas Seals includes: promotion of free chest X-rays that find TB, services to Allegany County patients at Mt. Morris Tuberculosis Hospital, health education programs in tuberculosis, Mental Health, Social Hygiene, and general health protection and cooperation with agencies.

"Stating that the spirit of unselfish giving has always characterized the people of Allegany County," Mrs. Stout said she was "confident that the Christmas Seal Sale will be a success because the people of the community are actively behind the tuberculosis association as it works to halt the spread of a disease which kills more people than all other infectious diseases combined."
