Use Your Directional Signals Says New Law

If you buy a car which is manufactured or assembled after next January 1, if it's registered in New York State, be sure that it's equipped with mechanical directional signals—and be sure you use them.

That's the advice from Motor Vehicle Commissioner Clifford J. Fletcher, who called attention today to a law enacted by the 1949 Legislature.

This law provides that "it shall be unlawful after January 1, 1952, to operate on any public highway or street in this State any motor vehicle registered in this State, manufactured or assembled after said date unless such vehicle be equipped with mechanical directional signals approved by the Commissioner."

Vehicles manufactured or assembled prior to next January 1 are not affected by the new law.

The Law provides that if you buy a car manufactured or assembled after January 1, you must keep the directional signals in good working order and must use them to signal for all turns.

The section provides that hand signals must be used to signal stops and turns unless a mechanical device is used.

December Milk Price Seen at $5.23

A uniform price of $5.23 per hundredweight will be paid to dairy farmers for their December deliveries to pool-approved plants in the New York milkshed, according to a forecast released today by Dr. C. J. Blanford, Market Administrator of the New York metropolitan milk marketing area.

He estimated at the same time that the producer butterfat differential for December would be 5.8 cents for each tenth of a pound of fat above or below the 3.5 percent standard.

Dr. Blandford said the forecast is based on a production estimate of 472 million pounds for the month. This would mean an average daily output of 311 pounds by each of the estimated 49,000 producers in the milkshed.

HAPPENINGS of Local Interest

The Crandall Hook & Ladder Company of Alfred has purchased an ambulance for use in that Village.

Due to illness of a witness, Clarence Wittie, the McAndrews trail has been again postponed. The earliest date likely for the trail will be some time next month.

Frederick M. Strate, Principal of the Belmont Central School is a patient at the Jones Memorial hospital in Wellsville following a heart attack suffered Saturday night.

Damage of more than $20,000 is reported from a fire which destroyed a large building at the Babcock Nurseries at Dansville early Friday morning.

Mr. and Mrs. George M. Thomson of Friendship abserved their 50th wedding anniversary Friday December 7.

The Army has changed the name of Pine Camp, near Watertown to Camp Drum in honor of the late Lt. Gen. Hugh A. Drum.

Announcement is made that the American Hardware Corporation of New Britain, Conn., will start construction in March on a new plant in Hornell. The plant will employ about a 100 persons at the start.

A liquor truck owned by McKesson & Robbins skidded at the foot of Hardy Hill Tuesday, rolling over bottom side up against Walter Green's barn. The driver, Ronald West escaped serious injury.

Clyde Yorton has a fine Christmas display of Santa and his Reindeers on his home on Chestnut street.

We note Miss Phyllis Burdick as a member of the Madrigal Singers from Fredonia State Teachers College who recently presented two groups of songs at the New York State Music Association in Rochester. A comment by the director of the association says, "the eleven voice Madrigal Choir presented a flawless musical performance before a very attentive audience."

Keep Both Car Registration Plates

Keep both of those 1951 registration plates on your car next year, advises Motor Vehicle Commissioner Clifford J. Fletcher. Do not discard either plate now on the vehicle.

The '52 tab which will be issued with 1952 registration is to be fastened to the lower right hand corner of the present rear plate, he said. But the present front plate must also be retained on the vehicle.

Because only one date tab will be issued, he said, many car owners are under the erroneous impression that the front plate can be discarded when the tab is attached to the rear plate.

Although 1952 registrations and tabs are now on sale at all motor vehicle issuing offices, the tab may not be attached to the rear plate until January 1. For most vehicles, including passenger and commercial cars, 1951 registrations are valid until February 1.

Notice

Notice is hereby given that the State Comtroller has caused an examination to be made of the accounts and fiscal affairs of Central School District No. 1 Town of Andover, Allegany Co. for the period beginning on July 1st 1948 and ending on June 30th 1951. The report of such examination has been filed in my office where it is a public record, available for inspection by all interested persons.

Pays Old Legion Debt

The local American Legion has helped many ex-service men traveling though with a nights lodging, a meal, and in some instances money and up to last week that was the last ever heard from them.

However, Lewis Stephens appeared at the Legion Club last week for the purpose of paying back a $5.00 loan given him eight years ago.

Community Christmas at Independence

The annual Community Christmas Program will be held at 8:00 p.m. in the Independence Seventh Day Baptist Church on Sunday, December 23. Music will be furnished by the Junior Choir under the direction of Mrs. S. W. Clarke, with Gertrude Barney as accompanist.

The feature attraction of the evening will be a one-act play by Dorothy Clarke Wilson entitled "No Room in the Hotel," which takes place in an American Bethlehem Hotel where the age old story is reenacted in modern times. The cast of characters include:

Man: Harold Rifenberg
Woman: Norma Lewis
Clerk: Joyce Spicer
Reporter: Decatur Clarke
Traveling Man: Stephen Clarke
Scrub Woman: Euphemia Crandall
Bellboy: Lyle Slocum
Poetess: Noamia Clarke
Senator: Don Sanford
Senator's Wife: Nina Clarke

As usual it is expected that Santa Claus will include this program in his journeys and distribute candy and presents to the children.

There will be an opportunity for those who wish to bring any jams and jellies or canned goods for distribution where needed. Any contributions of money will also be accepted and used in sharing of the Christmas joys with those less fortunate. Any of these gifts may be either designated or left to the discretion of the committee in charge to use as they see fit.

November Coldest in Thirty-Nine Years

November was the coldest in 39 years in this area, according to the report issued by Dr. Paul C. Saunders, Alfred weather observer. The cold snap of that month was also the coldest in the 62 year data collecting record in the Alfred area.

"The average year gives an average temperature of 35.19 degrees. This year it was 30.76."

Last month crowded November 1933 out of its rating as coldest November on record when the average temperature was 31.2 degrees. Warmest November on record was in 1931 when the average temperature was 45.6 degrees.

So far this month hasn't been doing so bad, with a low Sunday night of 8 below and five or six inches of snow on the ground.
