Mr Fish asked if a rennet's floating

Mr. Fish saked if a remeet's floating after pooking five days without-salting, was not a proof that it was purifying Mr. Detirfied thought it was a proof that it was nisted. It would be filled by deboales of gas which is generated by the putrifying process.

Mr. Macadam stated that now, off and only he was taking about nine lbs of milk to make one pound of green cheers. He stated that he used whey in the preparation of remet, for one reason-lice muse the acid in the whey acted has a preservative.

Dr. Wight added that not only was the seld a preservative of the remet.

to the working of the rennet qualities.

The liquor must be kept untainted and if he warmor weather salt is non casery to keep it swoot, then it must be said.

MORTGAGE SALE. Sow More Peas.

This crop is overlooked in our farming. It is the best crop as a fellow crop that can be grown. It will grow a quie poor, lad, and to proceed a wheatlerop, is the very best. They should be sown very early in the opring and may be plowed under; justing a place and they be plowed under; justing a pool to get justing the pool begin to fully and with he equal to a good drope in your property or the growth of the proof property of the growth of the proof property of the property of the good property of the pro a good dryging with mature for wheat, or they may jone, and are excellent to find legg, coming to before com is in finding quantilon, but about the ground made being or materoated before being fed. "The whea, if well sured, and out before to or in, our condendation, and controlled the properties of the print, when some littled," will keep down weeds equal to heakwheat, and is far more valuable as a festilizing drop." It is true literature into for seed, but it is far store valuable. If grown for a great festilizer, the small Canada gas is equal to high, and is not an courty or many district. Simmons Regulator STORE!

In jest about the smarket toan. That ever you did son. Along the line of the Line read, They call it Gen see, You will find a glow lid edition. You will find a glow lid edition Known as Simmons. Regula or stores, Where choices pools are soil at cost, And just a tritle more.

I have Cotton, Silk and Linea Goods, And Notions by the security, which many other timey things. With many other timey things. Which indies do adore; I have cost, clothing, hats and caps, And Boots too, by the score, Suspenders that will stratch a yard And just a triffe more.

Then come to the "Regulator Stores," Good friends from Lie and near, You've everything to hope for there, And nothing sure to fear. The'll show you goods and sell them

ch mp.
A most abundant store,
Of everything the people want,
And just a trifle more.

A word to our enemies
Who drad in wordy war,
The steem is on, don't waste your wind
In lopes to stop the car;
All chairly and bickering
We louestly depore
As me'n's searny other man,
And just a trifle more.

To drive me from the field,
They'd find that I am "up to time."
And don't know how to yield:
But "rough and ready," dare to meet,
Opposers by the score,
A match for each and all of them;
And just a trifle more,

I have Flour, Feod, Pork and Hams, My customers to please; Teas imported direct, all know, The chanor for to cease; If offer beignine sure and good To one act or secre-and wholesal all at New York cost, Of jues a trifle guore.
