So they have shirked and slighted me, and shifted me about—year old.

In Oawego county, N. Y., the ladies for a tillage have met and resolved that they 'will not accept the company of any young man who uses tokace in any forno, unless the night is very dark and the road muddy, for the space of axiy young man who nace tokace. Over the hill to the poor-kouse—my dishimate the road muddy, for the space of axiy to you dishimate the road muddy, for the space of axiy to you dishimate the space of axiy to you dishimate the road muddy, for the space of axiy to you dishimate the road muddy. For the space of axiy to you dishimate the poor-kouse—my d

Over the Hill to the Poor-House.

or will, a. CABLETON.

Over the hill to the poor house I'm trudgin'my weary wayI, a woman of seventy, and only a trifle gray—
I, who am smart an' chipper, for all the years I've tokl,
As many another woman that's only half as old.

As many another woman that's only half as old.

Over the hill to the poor-house—I can't quite make it clear age daily.

Is of ead ally from the hill to the poor-house—it can't quiter make it clear that all the poor head of the

If any body only is willin' to have me round.

Once I was young and han acmo—I was, upon my roul—
Once my checks was roses, my eyes as black as cost;
And I can't remember, in them days, of hearin' people say;
For any kind of reason, that Was in their way.

'Taint no use of boastin', or talkin' over free,
But many a house an' home was open then to me;
Many a han' same offer I fand from likely men,
And achoody ever hinted that I was a bur len then.

And when to John I was married, sure he was good and
smart.

Thow it from a third story window, and it's sure to come down plump.

The wheat harvest has begun in Scuthern Illinois carlier than ever be fore known. The yield is almouth.

Two Ohio girls fill-d lighted kereseme hamps hat week. I twen the mersphere kind, and both sleep in the valley.

There is a minn in Lewiston, Me, over 70 years of geg, who has never sout or received a letter through the Post Office.

The total amount of currency lost or.

A drunker man, having vomined into So 'twas only a few days before the thing was done—
a basket containing goslings warming They was a family of themsolves, and I another one;
by the five-place, exclaimed in consternation. "We describe the twas large enough for time them things!"

An' I never could speak to sait her, never could pleat the twasternation."

ter them things!"

A richly dressed lady stopped a boy tradgine along with a baskt, and ask, and ask, and ask, and ask, and ask and as

An' then I went to Thomas, the oldest son I've got, For Thomas's buildings 'd corer the half of an aere lot; But all the child'rn was on me—I couldn't stand their

Two little school girk were ranged of specific and a singering single stress could be supplied to the poor sound of the

## Modes of Walking.

An ingenious costemporary gives the follow-many of the different under adopted by those who g and fro on the earth:— Careless persons are forever stubbing their toes. Tour-loving parsons have a kind of fig movement. Tour-loving parsons have a kind of fig movement. Tour-loving persons, and a way a very sellad ones, "too." Out-like pressus, and a way a very sellad ones, "too."

Cross persons are very upt to hit their kness to-

er. Good : atured pe sons snap their fir gers and thumb y few steps.

Modest persons generally step swiftly, for fear of be-

ng observed.

Calculating persons generally walk with their hands
at the reckets and their heads slightly notice.

Wide awake persons "toe out," at have a long
wing to their arms, while their hands move about miscel
meously.

are first on one side of the walk and then on kholother;
Very strong mixedid persons place their toosidirectly
in troot of them, and have a kind of a snap movebeen.
Timble persons often step of from the side walk of
stepping over it.
Timble persons often step of from the side walk of
stepping over it.

Natril History. BERACT OF JOSH BILLINGS' LECTURE ON THIS TOPIC.

ABBAGT OF JOST BILLENGY LECTURE ON THIS TOPIC.

NAITH IN STOP IS the science above. All things that crawl, swim, hy, enem or wigele, have a biography—Although the natis averatisizes smaller than the science is the state of the science of the scie

good eating by good judges. Nature more and didn't.

Jersey lightning is cider brandy, three bough old, and quicker than a faish. Three doors will tan a mine's three; If a man can survive the first three years be fis all right for seventy-five years more. When it is the made it saises like tripetine and coverne pepper. The first born will make a man think he has awallowed a gas light—
