visited for religious converestion and prayer and 7,651 sermons and address have been delivered.

This work has reached destitute or WALL PAPER AT

This work has reached destitute or frontier places in nearly all the States. In New England among the hill towns, where population has been partially cheired by factory villages and emigration, the missionary has found work to do, and hundreds of conversions perfumery, Scap and Tellet Articles are alleady reported from the new achooly in this department.

The Secretary of the New York do.

The Secretary of the New York de-

The Secretary of the New York department reports continued and inpartment reports continued and increased interest in the various phanes
of Sunday-School work.

Tweaty nime new school have been
established in the pines of New Jersey,
from which very many hopeful conversions are reported. A large number in the destitute places of Pennsylvania have been brought in, and in
Ohio and Indiana the work of the Socitety has been crowned with knooning
sing roceas. Many have been led to
Christ, and new cherches organized
from the Union schools.

Carmi, and new chorches organized from the Union schools.

A new era is dawning upon Michigan. The new settlers are being followed by railroads, and Sunday-school missionary labor proves that the Surday-school is the first lever of church

poston.

versions are reported as the first re
solt.

The Wyrk has extended to the Pa-file Coast, and 47 new schools have been established.

The Mission of this Society is one he most important and hopeful that an engage the tabors of those who ove the church and the nation. It love the church and the nation. It reaches the young and puts the Bible into there bands, and teaches them to read it, and it does for those who are unreached by any others. It is the helper of all the churches and har laid the foundation of thousands, of the

Note great west.

It has a work that cannot of measured in its results for good.

A work so catholic, so Christ-like, and so much needed that it cannot fail a command the confidence of the largetian public.

It reaches those
