...habit—just like everybody's habits.—Habits, like the cattle are not easy to stop when once they get started.—They are pretty sure to get a-going until, if they are bad habits, they do mischief, in spite of all we can do to stop them. If you get a habit of meddling dishonestly with what does not belong to you, it is apt to go on until it does some terrible mischief. If you get into the habit of being idle, and wasting your time and opportunities, be assured it will not stop and change to a good habit just when you see how bad it is, and wish to get out of it.

Look out, then, for the beginning of a backhabit. Remember they are things that, like the cannon, you can't stop when you once set them a-going.

The Key to a Person's Name.

By the accompanying table of letters the name of any person or any word can be found out. The manner of doing so is described below:

A	B	D	H	P
C	C	E	I	Q
E	F	F	J	R
G	G	G	K	S
I	J	L	L	T
K	K	M	M	U
O	O	O	P	W
Q	R	T	P	Y
S	U	V	V	Z
U	W	W	W	
Y	Z			

Let the person whose name you wish to know inform you in which of the upright columns the first letter of his name is contained. If it be found in but one column, it is the top letter; if it occurs in more than one column, it is found by adding the alphabetical numbers of the top letters of these columns, and the sum will be the number of the letter sought. By talking one letter at a time in this way the whole can be ascertained. For example, take the word Jane. J is found in two columns commencing with B. and H. which are the second and eighth letters down the alphabet, their sum is ten, and the tenth letter down the alphabet is J. the letter sought. The next letter A appears in but one column, where it stands at the top. E is seen in the columns headed B, D, and H; these are the second, fourth and eighth letters of the alphabet, which added gives the fourteen, or N, and so on. The use of this table will excite no little curiosity among those unacquainted with the foregoing explanation.

The Great Medical Discovery!

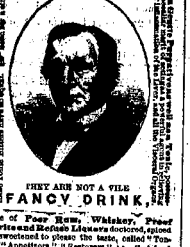
DR. WALKER'S CALIFORNIA

VINEGAR BITTERS,

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?



THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirit and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the Sipplers on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.

J. WALKER, Proprietor. R. H. McDONALD & Co., Druggists and Gen. Agents, San Francisco, Cal., and 32 and 34 Commerce Street, New York. SOLD BY ALL DRUGGISTS AND DEALERS.

VETENARY SURGEON.
