Our Last Words. in a few days we shall be called up

once note to contend in an "irrerestible condicy" not between free lom and slavery, but—what is equally to dangero. s 'o our institutions—beween honesty and correction, and on iné-day next we stull be Unifight fac o her kith these startling ficts, and very man should be prepared to meet them squaredy. No man can have an excise for voling the Democratic ticks et on that day, to all things have bee ande pinin. There are but two thing on do? On the one hard you have the Republican party, with the honest partion of the Democratic party, ask-is; your suffrige for men known to be true; men who have been, tested and of four d wanting it any respect; me cho are phological to do all in their por-y to redeem the State and City of New York from the fireds of Serengt and victous man; and dil w fied on the other hand? Cor

was conveded to Tammany, and no one distinted it, was renominated with ne exception.

Chas. O'Conor, one of the alleawyers in the state, was strongly urgens a candidate for Attorney Genera by Samuel Tilden, the leader of great reform and busing his seconds argument a against correspon in in the City who were desirous of his ing hones men to lead, and contro their parts, and back of he fire feet in the rural did friets, who were authors to accomplish the same result. Fur the no avail, out of 104 votes crat at th Canvention, Char. O'Conor receive bot 42, and the old Attorney General Narshall B. Obsimplain, who h deserv

ty under this administration? Let the anner in which the affairs of our Ca manner in which the affairs of our Ca-vals and State Prisons, togother with the plundered treasury of the cits, and the official robbers slinking their stoken millions in your insulted faces, answer, whether we could look for reform or sot. Elect them, and reform goes down to its grave; fraud and coruntion will hold high revelsy again. We beseech every voter to carefully consider the facts, and known hintself accordingly, etting his better judgment rather that

tion, Lonesty or dishonesty, and abide he decis on for two years to come. Soldiers,

party, control him in this all important

come when we must meet this que

The Prephieus have placed upon their ticket, for Attorney General of this State, a robler, who proved himselt with you workings, in the perfen of Gen. Francis C. Berton. Let him have the Learny support of every sobiler in the State.

Republicana, you will be asked by ome to give Marshall B. Champlain a complimentry tote. What has he or way of his friends erer done for Republicans or for the Republican party that R publicans should give him a contiplimentary vote? Imagine Democrate giving complimentary votes to a Re publican tromince!

All we have upon our county takes eg ord and tree have no and nothing year.

The Democratic administration has wastering upon the other ticket, for the main of years of a main upon their ticket that the main of years of a main of years of a main of years of years.

The Democratic administration has vanishing upon the other ticket that the main of years All we have upon our county tick change upon the other ticket, for they have not à máii upon their ticket that has any claim whatever over the sam nominee upon ours; remember this.
We owe them nothing; not one of
them a complimentary vote. Vote and work for every candidate upon ou licket.

No Trading. Republicants, you will be asked by the Democrats to vote for such a man they agreed by the vote for two on you teket. Don't do it. Vote straight.

Lok at your ticket marked "Judi-

ciary" and see that the maze of George D. Lamont is upon it. Don'allow the Democrats and a few treacherous Re publicens induce you to vote otherwis han for the regular Republican non

Give One Days Work. There is no individual who cann pare one day to attend election. very Republican think of this, and ome out to the polls on Election day next Tuesday, and work carnestly from morning until the pells close, for the mecess of the Republican ticket, both success of the Re State and Local.

Compare With Them.

Rejublicans, when you hear a Deerat denouncing any Candidate upon your ticket, immediately proceed compare the character and standing asciety. Search to the bottom, and leave nothing unturned. They will soon get gloriously sick of it, and throw up the sponge.

Rosenzweig, charged with the hor-rible trunk morder, has been convicted of manulauphter in the second degree, and has been entenced to State Pris-or for even y-krs. Three is no doubt that Rogensweig ggg.eff too castly-public aeptiment holds him to be a reater villain than did the jary.

The decrease of the public debt durer the month of October was. \$8 ing the month of Oc 995.591 84. The decreas 9. to November 1st, 1871 **\$273,749,819.**

The following States will hold lection on Tuesday next election on Tuesday next: Nor York, New Jersey, A. aryland, Jilmo Massachusetts, Michigan, Wiscobsia. Republicans see to it that our County Ticket, in full, receives the whole Repblican rote

REPUBLICAN RECORD.

REPUBLICAN RECORD.
The Republican administration has reduced the taxes \$80,000,000 a year.
The Republican redunistration has acfected applies manig of \$170,000,000 during eighteen months.
The Republican administration has reduced the manal intrest account more than the reduced of the reduced the resulting administration has reduced the manal intrest account more than 15 miles and 15 miles and

user mass teen at any time since Vresident Jeckson's rule.

The Republicar administration has im-proved the public credit as indiffered in the rice of national scentricts by more than tweet per cent.

The Republican administration has raised the value of the greenback dullar from seventy cents in gold to eighty-wise cents.

an unfinished court hobase.

The Domocratic shimistration of the city of New York has reserted to prove foreign and to fill the potents of its individual members.

The Domocratic administration of this State has increased the ord anny expenses of the government more than \$1,000,000 a year,

The Democratic administration has reduced a loss of revenue of nearly \$1,000, COO.

The Democratic administration has created larger charges and listabilities for the present year than ever before rested, gainst the State, and, while imposing a transition of \$4.000,000 in excess of the average of \$6.000,000 in excess of the average of the present of th

The German Democrats of New York latte as a role, nobly repudiated. Tummany. The diagr. celot satisfile if that has been carried on in shat city, by which uncontrol milions have been transferred to the pockets of the Ring, has thoroughly disgusted the aright-forward Germans.

Every man upon the Republican State ticket is worthy the support of all honest men. They are men who have never been accused of dishonesty. They have all been tested in the reale

Republicans to your work, but lays remain before a verdict massed upon your labors. The total national debt is now but fraction over twenty-one hundred mi

and don since General Grant sion to the Presidency. How does the above compare the admistration of Tammany in State.

Under the present Democrationagement of canals they have be reduced to such a swetched could find seen promitteen Beingera the men have repudiated the called put in nomination by their party ential commissioners.

How Repeaters were Paid.

Dear Brother in the Faith

The Republican administration has reduced the cases \$25,000,000 a year.
The Republican administration in an effected a positive earlieg of \$170,000,000 are segmented as the entire expense after the entire expense at the entire expense of the expense at my time at the process of the expense administration has reduced the actual current expense of the expense of the expense at my time at the process of the expense at my time at the expense of the expense rece of antional scenarios by more than tweel per cent.

The Republican administration has received years and successful and received the second of the greenbeek calibrar from seventy cents in gold to eighty—size cents.

The Democratic Administration of the type of New York has expended the delet once than \$15,000,000 in less than three years.

The Democratic administration of the city of New York has increased the annual expenditure from service and interest and the worship of green indiges. Once the city of New York has increased the annual expenditure from \$12,000,000 in the control of the city of New York has separated or \$20,000, 000 in the city of New York has separated expenditure from the city of New York has separated expenditure from the city of New York has separated expenditure for the city of New York has resent over \$20,000, 000 in the city of New York has separated expenditure for the city of New York has resent over \$20,000, 000 in the city of New York has separated expenditure for the city of New York has resent over \$20,000, 000 in the city of New York has separated expenditure for the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has resent over \$20,000, 000 in the city of New York has res their idels; had cleared away, there was found a remnant who that not howed the knee to the image of the for at the nigger; but that remnant, also with what a deabtful future; too for

to live, too many o die.

Dear Brother, I studder at the Bare contemplation of that harrid, sithhanous lake which would have occupied the site of our noble town, had that allthe site of our nob's cown, had that at-ternative been presented by one as to Sodom, with the demand for ten highe-cous men. Alsa! Andover had best seven and a laff, with a carful coinst-ing of all the fractions, that attil claims to the true faith. (Seven wheel both one Discovers and State Honker tick-ets while the eighth voted out;

Weak in number but strong in this we learned heavily on that planes, or Scripture shout the weak bings of this world confounding, ée. "without yeal ed the trol), and prepared to organize; then how anxiously we seemed to political britzen for any time-bost ord Ladri, around whose standard we might raily, and by endless repairtions of our milying orly, persuade ourselves we were a purty. Deblarks hope. No sooner would que miximum persuadated to the present should be in the prest shough of fees-foll. Thus, one after another of our see-

Thus, one nifer another of our sa-flus, one nifer another of our sa-sient lights fell and in such supid suc-cession, that doubt, and succession, that seemed to pervade the ground on which we stood; the whole thing appeared lights to slide off and be engulpted in

we stool; the whole thing appared lithel to alide off and be englished in that yawning alouds of free-only.

Thus, in trembling hope we alsood, affaid to advance, estaund to extend years affaid to advance, estaund to extend years are sound. At het a cound just tremblee on the death-like, alloust air, low nat ducertain or, the same in the sa
