Winter is a gain inpun us as the drifting snow and cold piereing stinds too I foeelib! illustriate. Colder and colder cach day grows until it zeems as if there was in terminus too it. However we auppose it ne were not naturally afraid of the cold, we should not Rel it so keenly, for half of it is magination. With our warm colotting we hardly have an idea of what real cold and suffering is.

As regarded news that is a dolf subject BELLEONT, Dec. C. '11
