The New York Tribune,
FOR 1872.

The downfall of Italy, so long [illegible] and impotent, into one [illegible] State, with Rome as its capital, the [illegible] of France through [illegible] crushing defeats, ending [illegible] siege and capitulation of her [illegible] city metropolis; the expulsion [illegible] Bourbons from the Spanish [illegible] and the substitution for them [illegible] scion of the most liberal among [illegible] houses; the virtual absorption [illegible] Kingdoms of Saxony, Wurttemberg, Bavaria, with Baden, Hesse, the [illegible] Towns, &c., under the headship [illegible] Prussia, into the triumphant and powerful empire of Germany; and the coming of Russia to reassert her preponderance in the councils of Europe, or to prosecute her often postponed but never relinquished designs on the great city founded by Constantine for the east but decaying and no [illegible] dominion of the Sultan, all combine to invest with profound interest the ever-changing phases of our tidings from the Old World. The *Tribune*, through trusted correspondents established at all points in Europe where great movements are in progress or impend, aims to present a complete and instructive panorama of events on that continent, and to mirror the prolonged struggle between middle-age Feudalism and Ecclesiasticism on the one hand and Nineteenth-Century skepticism and secularism on the other. Recognizing a Divine Providence in all that proceeds and is, it looks hopefully on the great conflict [illegible] (like our own recent convulsion) to evolve from strife, disaster, and seeming chaos, a fairer and happier future for the toiling masses of mankind.

In our own country, a war upon corruption and rascality in office has been inaugurated in our City, whereby the government of our State has been rechristianized through an initial triumph of Reform which surpasses the most sanguine anticipations. It is morally certain that the movement thus inaugurated cannot, in its progress, be circumscribed to any locality or party, but that its purifying influence is destined to be felt in every part of the Union, rebuking venality, exposing robbery, wresting power from politicians by trade, and confiding it in those worthiest and fittest to wield it. To this beneficent and needed Reform, the *Tribune* will devote its best energies, regardless of personal interests or party predilections, esteeming the choice of honest and faithful men to office as of all New Departures the most essential and auspicious.

The virtual surrender by the Democratic party of its hostility to Equal Rights regardless of Color has dive-ted our current politics of half their bygone intensity. However parties may henceforth rise or fall, it is clear that the fundamental principles which have hitherto honorably distinguished the Republicans are henceforth to be regarded as practically accepted by the whole country. The right of every man to his own limbs and sinews—the equality of all citizens before the law—the inability of a State to enslave any portion of its people—the duty of the Union to guarantee to every citizen the full enjoyment of his liberty until he forfeits it by crime—such are [illegible] and firm foundations of our National edifice; and paltried be the hand which shall seek to displace them! Though not yet twenty years old, the Republican party has completed the noble fabric of Emancipation, and may fairly invoke thereon the utmost judgment of Man and the benignant smile of God.

Henceforth, the mission of our Republic is one of Peaceful Progress.—To [illegible] the weak and the humble from outrage and oppression—to extend the boundaries and diffuse the blessings of Civilization—to stimulate Ingenuity to the production of new inventions for economizing Labor and thus enlarging Production—to draw nearer to each other the producers of Food and of Fabrics, of Grains and of Metals, and thus enhance the gains of Industry by reducing the cost of transportation and exchanges between farmers and artisans—such is the inspiring task to which the Nation now addresses itself, and by which it would fain contribute to the progress, enlightenment and happiness of our race.—[illegible] press and good work, the *Tribune* contributes its zealous, persistent [illegible].

Agriculture will continue to be more [illegible] elucidated in its Weekly [illegible] Semi-Weekly editions, to which [illegible] of the ablest and most successful [illegible] of the soil will steadily contribute. [illegible] farmer who sells $300 worth [illegible] per annum can afford to do without our Market Reports, or others [illegible] and comprehensive. It [illegible] and nothing else but what [illegible] calling and its requirements that the farmer who [illegible] to do without [illegible] Advance. And [illegible] for other departments [illegible] years shall be excelled in varied excellence and interest by those of 1872. Friends in every State! help us to make our journal better and better, by sending in your subscriptions and increasing your Clubs for the year just before us!

The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS,

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the system, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION.

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequaled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.

The Rochester Express

Cheap Reading for Everybody

A First Class Newspaper.

DAILY, TRI-WEEKLY AND WEEKLY.

Announcement for 1872.

Popular intelligence, on which the success of Republican institutions depends, is itself the result mainly of an independent press and honest journalism. Only in the United States, where cheap newspapers reach every family, has government by the people proved itself a success. The newspaper is the leading popular educator, and when directed in the interests of patriotism and morality, its influence for good is almost incalculable.

For nearly thirteen years the

ROCHESTER EXPRESS

has been a leading educational power in Western New York, and indirectly to the entire country. We have aimed in its publication to extend information and inculcate healthful moral and political ideas. That its influence in the main has been for good, we are proud and glad to believe.

For 1872 the Rochester Express will be all, and more than ever before. As a

NEWSPAPER,

The Express will be full and accurate, giving each day the world's record of important events for the preceeding twenty-four hours. Great events are to occur in Europe, and the cable telegrams published each afternoon contain all that is of public importance, with much that is not, up to the hour of going to press. During the recent war between France and Prussia this advantage of afternoon papers was frequently noted. In our own country,

The Presidential Election

will absorb much of public attention the coming year and make an independent and fearless political newspaper a necessity to every voter and every family. The Rochester Express is NOT mainly a political journal; but its politics have ever been those of liberty, justice and honesty, and it has always been it; full sympathy with the most liberal and advanced political sentiment of the American people As a

HOME and FAMILY JOURNAL.

The Express claims preeminance. We aim to keep its columns pure and welcome visitant at any fireside. Without the fulsomeness which finds its laughing in a sneer, the Express advocates the right and rebukes the wrong in that plain English which the people like to read because nobody can understand it. The position of the Express is never doubtful on any question which is of sufficient public importance for newspaper discussion.

LOCAL NEWS

has always been a specialty with the Express. Nothing escapes it reporters that happens in Rochester, and much of this is important to the three quarters of a million of people in Western New York whose business interests center here. Its reports of public meetings, sketches of the best lectures and general record of local news are not excelled if equalled by any other Rochester newspaper. These features have been amply recognized by the public of Rochester and vicinity.

THE EXPRESS MARKET REPORTS

are full and reliable, giving the farmers of Western New York accurate information of the prices of farm produce. The reports from other cities by mail and telegraph are as full and correct as it is possible to make them. In this matter, honesty and correctness are more important than the publication of a large amount of matter of no information. The correctness of the Express Market Reports has not been questioned, and never will be.

To the farmers of Western New York and of the West, the

AGRICULTURAL DEPARTMENT

of the Express furnishes an amount and variety of valuable hints and information not to be found elsewhere. The Agricultural columns of the Express is not a rehash of old theories that have been copied for years in all the newspapers of the country. It is mainly original, mostly relating the experience and observations of practical farmers, and where it does deal in theories we frankly say so. Its Agricultural Department has made the Weekly Express the favorite newspaper of Western New York farmers. It is the only journal which publishes full reports of the valuable Discussions at the Western New York Farmers' Club, held twice a month in Rochester.

Our political friends will find it easy to do good service to the Republican cause by inducing their neighbors to take the Express. Hundreds of Democrats take the Weekly Express for its agricultural information and reliable market reports. It needs only that this number should be increased to thousands to disseminate sound political information in a form where it will be surely read and without giving offense. No one can more cheaply or surely advance Republican ideas than by circulating the Weekly Express among voters of both parties in Western New York.

The Daily Evening Express

is designed mainly for the city, and towns and villages near enough to Rochester to receive the afternoon papers the same evening. The telegraphic reports of the principal American and European markets, make a daily newspaper worth much more than its cost, not only to business men in cities, but to wide awake farmers whose success depends on keeping posted relative to the markets of the world.

For all who cannot obtain the Daily—the

TRI-WEEKLY EXPRESS

issued on Tuesdays', Thursday and Saturdays' of each week: offers an excellent substitute. Each issue contains the more important matter contained in two dailies.

THE WEEKLY EXPRESS

is a favorite wherever known. Its record of the news, political and other editorials, agricultural information, poetry, important local news and Market Reports is as full as it is possible to make it from thirty-six daily editions on a large thirty-six column sheet mainly devoted to interesting reading

The terms of the Express for each edition are as follows:

Daily Evening Express per year	$8,00
Tri-Weekly Express " "	4,00
Weekly Express " "	1,50

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels, they are a safe aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral of any kind, and no injurious effects can arise from their use in any quantity. Every person wishes to avoid disease, and knows the importance of having the bowels regular, and the blood pure, when sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved to the world, and the fact is daily demonstrated, that these Pills are the best, surest, and most certain remedy for the cure of all the ills with which the stomach, liver, and bowels are afflicted. By their occasional use the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. Those incipient diseases to which every one is liable, the value of which change, when reckoned on the vast multitudes who enjoy health only by its use, cannot be told. Their adaptation to children renders them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution or diet or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these Pills rapidly cure:—

For **Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite**, they should be taken moderately, to stimulate the stomach, restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache, Sick Headache, Jaundice, Dysentery, Bilious Colic and Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action, or remove the obstructions which cause it.

For **Dropsy** and **Dropsical Swellings**, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression**, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion, and relieve the stomach.

As an occasional dose to regulate the stomach and bowels, restore the appetite, and invigorate the system. Those in the habit of taking occasionally a cathartic medicine, will find these Pills the most agreeable and effectual they have ever used. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

HALL'S

VEGETABLE SICILIAN

HAIR

RENEWER.

Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR-DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."
