seived a call on Friday of last week; from Mr. Hockeley, General Traveling Agent for the Elmira Ad-certifier, one of the best daily papers published in the State, outside of New York City.

Every column of a newspaper contains from live to ten thousand distinct pieces of type. The displacement of a single one miskes an error. How strange it is that errors sometimes occur.

The Senate general registry law, amended so as to apply to cities or villages of over ten thousand inhabitants, passed the Assembly Tuesday by a vote of 90 to 22; also registry taws for the cities of New York and Brooklen.

We publish in another column a call for the Republican County Con-vention to be field at Friendship, on Wednesday May 8th for the purpose of sending delegates to the State Con-vention to be held at Elimica on the 15th of May.

A horse belonging to Fran able to stand, and the recult was

The Canals will be opened on the 13th of May. This is much later than bual.

Ground has been broken for the new the can obtain the also finds out where the can obtain the best burgains.

The greatest activity is now prevailing among our wise-wake merchants. All of them have been to the city and purchased their apply of New Spring Goods which they are offering at bottom prices. For further puriculars consult the advertising columns of the Advertiser.

We publish on the flist page the new 'Prohibition Low' as passed by the Assertibly and naw reported in the Seuate, and will, without do in to come a law within a few days. We are unable, aftewereding it carefully, to see where there has been any very great point made over the old law; but a trial will tell the sory.

If a teaspoonful of ground coffee be

Robbert on the Cars.—A man named Henry Nackey, just from England, was robbed of seventy sovereigns on train 4, just before reaching Corting. The supposed their got off the train at Corning and could not be found One seconjiles was streated at Corning and shouther in this city.—Elmira Advertises

It has leaked out that Tone Thomp-It has leaked out that Yord Thompson's train was stopped's tew miles west of Hornellaville, on the vecung of the Iat inst., by his engineer, who supposed he had killed a man. After backing the train about half at mile the mongel creamins of a steam man was found. The train went into Bulfalo on time.—Waverilj Enterprise.

CANDY FACTORY—We are informed that a gentleman from Elmira has made arrangement for reuting the building erected by Jackson Hunt, on the corner of Man & Dyke Streets, in which fici intends to start a candy factory and bakery. This is something according to the conductive of the first hand to the conductive of the con ory and bakery. This is something se certainly need, and we think it will

JUST ARRIVED.—H. E. Miner has signest to merchants and staveling bugs, of all varieties and men that a free use of printer's ink prices. Also any quantity of new will be to their advantage. They style of barses trimings, whips, carbonic come a conceded fact that Miner's it their concerned that the stage trimmings, &c., and it has be beaded of all letters they write, an other style of barsed fact that Miner's it their careful printed at the peads of all letters they write, an other style of the stage trimming up some of the best Harnessel. getting up some of the best Harnesses heads, statements, busine in the county. He has one of the best blank notes and receipts. workmen that the country affords, and all who patronize the establishment of dealers to all their correspondents. go away feeling that they have got their money's worth.

POTATUES .- An Arkport man has

the following:

One of our large potato thisers put
several hundred bushels in "pits" last fall, covering them uncommonly deep, except one "pit," which was covered with a good coating of straw and a light one of earth, and over all a coating of horse manure. Now the re-sult: Those covered with earth and straw one-third frofen; the others came out in perfect condition.

WOOL PROSPECT .- It seems prob touch the old and well remembered price of one dollar per pound. Cor tracts for growing needed and a fas having been made for "choice Ohio" at ninety cents, and Michigan of cichty-five cents. Wool growing racts for grawing fleeces are spoke If a teaspoonful of ground coffee be chrown into a tumblerful of cold water it will float upon the surface of the water, while the aubtance usually used in Adulterating coffices will sink mader the same circumstances. If, come a regular well proportioned part when suspected coffee is thrown upon of cold water, part sinks s.t bite; the sample is quite sure to be adulterated.

Wersam New Yorker.

Annested.-On Saturday Light last ARENTED-OD Saturday right last, Bujimin Mellemy swore out a warrant against Lentiel Davis, for stealing a pair of pairs from his house on the meroing of the 20 idst, and it was placed to the knode of Constable Bahan, who, ob Monday, went down to Welleville and arrested the said genfound of the said of the warrant being read to Davis he plead gultty, whereupon the Justice sent-seed him to the country jail for 50 days and to pay a fine of \$10. Constpile Sahnan took fine to Angelica on Tuesday morning; him to Angelica on Tuesday morning

Extention.—There are a few men in every community; and Andover has fire share; to use the language of anotifier—who never do mything to ansist public improvements that so the improvements do not profit them a solitary penny.—But, we notice that every time a town receiver a public improvement of any importance, these same men, if they have any real estate, or bridlings to rent, put up the price. A town wholly composed of such individuals, would be about as lively as a graveyard. ENTERPRISE .- There are a few
