

**The Tower of Babel**

Which has been erected on the site of the Tower of Babel, in the city of Babel, in the province of Mesopotamia, has been destroyed. The remains of the tower are still to be seen, and are now being excavated. The tower was built by the king of Babel, and was intended to be a monument to his power. It was built of bricks, and was surrounded by a wall. The tower was destroyed by the king of Assyria, and the remains were scattered. The tower was built in the city of Babel, and was intended to be a monument to his power. It was built of bricks, and was surrounded by a wall. The tower was destroyed by the king of Assyria, and the remains were scattered. The tower was built in the city of Babel, and was intended to be a monument to his power. It was built of bricks, and was surrounded by a wall. The tower was destroyed by the king of Assyria, and the remains were scattered.
