...NEW YORK—by Authority.

...Law, unless a different time shall be prescribed therein, shall commence and take effect throughout the State, on and not before the twenty-first day of the day of its final passage, as certified by the Secretary of State. Sec. 12, title 3, chap. 7, part 1, Revised Statutes.]

CHAP. 115.

AN ACT to supply the deficiency in the appropriation to pay the expenses of the superintendence, ordinary repairs and maintenance o: the canals for the remainder of the fiscal year which commenced on the first day of October, eighteen hundred and seventy-one, and to regulate the manner of drawing warrants by the Auditor of the Canal Department upon the Treasurer.

[Passed March 26, 1872, three-fifths being present.]

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

SECTION 1. Whereas, by act, chapter six hundred and fifty-four of the Laws of eighteen hundred and seventy-one, entitled "An act making an appropriation to pay the expenses of the collection of tolls, superintendence, ordinary repair and maintenance of the canals for the fiscal year commencing on the first day of October, eighteen hundred and seventy one," passed April twenty, eighteen hundred and seventy-one, the following, among other, appropriations were made, to wit: For the payment of the expenses of the ordinary repairs of the completed canals of this State, and for the sums that may be due to the contractors for repairs under their contracts, and for no other object and purpose whatever, the sum of one million dollars, or so much thereof as may be necessary, to be distributed, assigned and apportioned in the first instance to the three divisions of the canals, as now constituted, as follows: To the eastern division of the canals, the sum of four hundred thousand dollars; to the middle division of the canals, the sum of three hundred thousand dollars; to the western division of the canals the sum of three hundred thousand dollars. And whereas, there remains now unexpended in the treasury but ninety five thousand seven hundred and sixty-nine dollars and sixty-three cents balance of one million dollars so as above appropriated; therefore, the sum of seven hundred thousand dollars, or so much thereof as may be necessary, is hereby appropriated out of the revenues of the State canals for the fiscal year commencing on the first day of October, eighteen hundred and seventy one, for the payments of the ordinary repairs of the completed canals of the State, and for the sums that may become due to the contractors for repairs under their contracts, and for no other object and purpose whatever, to be distributed, assigned and apportioned in the first instance to the three divisions of the canals as now constituted, as follows: To the eastern division of the canals, the sum of three hundred and fifty thousand dollars; to the middle division of the canal, the sum of one hundred and fifty thousand dollars; to the western division of the canals, the sum of two hundred thousand dollars.

§ 2. The Auditor of the Canal Department shall notify the Canal Commissioners of the sums of money that will be needed to pay the drafts during the fiscal year to the contractors for repairs under their contracts upon their respective divisions, and he shall reserve such sums out of the appropriations ma'e by this act, for the purpose of paying the monthly drafts to contractors, and no part of the sums so reserved shall be paid or applied to any other object or purpose, and no draft shall be drawn on the auditor in favor of any contractor unless upon a certificate from the Canal Commissioner in charge that the contractor has fulfilled his contract during the preceding month.

§ 3. The commissioners of the canal fund are hereby authorized and required to borrow, on the credit of the State, reimbursable out of the revenues of the State canals within this fiscal year, and in anticipation of such revenues, such sum or sums of money, not exceeding in all the sum of seven hundred thousand dollars, as may from time to time be necessary to pay the expenses for the superintendence, ordinary repairs and maintenance of the canals during the remainder of this fiscal year, as provided for in this act.

§ 4. Hereafter each warrant that may be drawn by the Auditor of the Canal Department upon the Treasurer for the payment of any moneys heretofore or hereafter appropriated by law, shall particularly specify the chapter and date of the passage of such law, and when more than one item of appropriation is contained in any such law, then the said warrant shall also specifically state the item of the appropriation out of the sum of which the amount of such warrant shall be paid.

§ 5. This act shall take effect immediately.
