AN ACT to amend an act entitled "An ... for the erection and maintenance of ... watering troughs in the public highways," ... April seventh, eighteen hundred ... sixty-nine.

Passed April 1, 1870; three-fifths being present.

The People of the State of New ... represented in Senate and As... do enact as follows:

§ 1. The first section of an act entitled "An act for the erection and maintenance of watering troughs in the public highways," passed April seventh, eighteen hundred and sixty-nine, is hereby amended so as to read as follows:

§ 1. The commissioners of highways in several towns of this State shall annually ... three dollars from the highway tax of any inhabitant of a road district, who shall construct on his own land, and keep in repair, a watering trough beside the public highway, well supplied with fresh water, the surface of which shall be two or more feet above the level of the ground, and easily accessible for horses with vehicles; but the said commissioners of highways respectively may designate the number necessary for the public conveniences in each district, and no others then those designated shall be allowed this abatement of tax.

§ 2. The two following sections shall be added to said act, and shall be the second and third sections thereof:

§ 2. The directors of the several plank-road and turnpike road companies in this State shall annually abate three dollars from the toll of any inhabitant, not an innkeeper, or all of it if in the aggregate not exceeding that sum, who shall construct on his or her land, and keep in repair, a watering trough beside the plankroad or turnpike road as the case may be, well supplied with fresh water, the surface of which shall be two or more feet above the level of the ground, and easily accessible for horses with vehicles; but the commissioners of highways of the towns respectively shall, and they are hereby invested with full power and authority to designate those necessary for the public convenience along said plankroad or turnpike road, as the case may be, and no others than those designated shall be allowed both such abatement of toll and highway labor.

§ 3. In case the directors of any plank-road or turnpike road company in this State shall refuse or neglect to abate the toll aforesaid, in compliance with the provisions of the preceding section, any inhabitant having constructed a watering trough in compliance therewith, may notify the commissioner or commissioners of highways as the case may be, of the town in which the same had been erected, of such neglect or refusal on the part of the directors aforesaid, whose duty it shall be, and who are hereby invested with full power and authority to proceed, without delay, to an examination of said watering trough; and if, upon a full examination of the same, the said commissioner or commissioners, as the case may be, or a majority of them, shall deem it necessary for the convenience of the public that such watering trough ought to be maintained hereafter, as the case may be shall forthwith notify the said directors accordingly, by serving a written notice on the president of the company, to that effect, in which the necessity of its maintenance shall be clearly expressed; and if the said directors shall still refuse or neglect to abate the toll as aforesaid, and shall demand and take toll, on aplacation for such abatement, in violation of the provisions of the preceding section, for the space of thirty days after the service of such notice, they shall be liable to a penalty of twenty dollars, to be recovered in an action at law at the suit of the person having constructed said watering trough.

§ 4. This act shall take effect immediately.

Ayer's
Cherry Pectoral,
For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping-Cough, Bronchitis, Asthma, and Consumption.

Among the great discoveries of modern science, few are of more real value to mankind than this effectual remedy for all diseases of the Throat and Lungs. A vast trial of its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that CHERRY PECTORAL will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Pulmonary Organs yield to its power; and cases of **Consumption**, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is adequate, on which the public may rely for full protection. By curing **Coughs**, the forerunners of more serious disease, it saves innumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unprovided attacks of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; and if it now or to be without it. As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of childhood, CHERRY PECTORAL is invaluable; for, by its timely use, multitudes are saved from premature graves, and saved to the love and affection centred on them. It acts speedily and surely against ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome **Influenza** and painful **Broachitis**, when they know how easily they can be cured.
Originally the product of long, laborious, and varied chemical investigation, no pains or toil is spared in making every bottle in the utmost possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.

VINEGAR BITTERS
PURELY VEGETABLE FREE FROM ALCOHOL
DR. WALKER'S CALIFORNIA
VINEGAR BITTERS

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the inebriate on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, and reliable in all forms of disease.
No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.
Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms are the offsprings of Dyspepsia. In these complaints it has an equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.
For Females Complaints, in young or old, married or single, at the Change of Womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.
For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.
They are a Gentle Purgative as well as a Tonic, possessing also the power of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.
For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worm, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.
Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
Grateful thousands proclaim VINEGAR BITTERS the most wonderful invigorant that ever sustained the sinking system.
Pin, Tape and other Worms, lurking in the system of so many thousands, are all surely destroyed and removed. For full directions, read carefully the circular around each bottle, printed in six languages.
Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout our country, especially those bordering upon the tributaries of the Mississippi, Ohio, Missouri, Red, Arkansas, Tennessee, Cumberland, Illinois, Wabash, Hudson, Merrimack, James, Roanoke, Santee, Yazoo, Pearl, Alabama, Tombigbee, Rio Grande, Brazos, Colorado, Trinity, Sacramento, San Joaquin, Gila, and many other rivers, with their vast tributaries, all of which are navigated by steamboats or sailing craft, and subject to periodical overflows, are invariably accompanied by extensive derangements of the Stomach and Liver, and other abdominal organs. In their treatment, a purgative, assisting the cathartic effect of the Vinegar Bitters, is required only at the commencement of the season, to relieve the surcharged organs; after which a few doses of the Bitters, as a preventive, will be sufficient to ward off the attack of disease.
Fever, Ague, Bilious, Remittent and Intermittent Fevers, Dysentery, Diarrhœa, Bilious Colic, Plalsy, Gout, Neuralgia, Headache, Diseases of the Urinary Organs, Kidney and Bladder Diseases, Inflammation of the Bladder, Retention of Urine, Painful Urination, Bright's Disease, Diabetes, Stone and Gravel, Dropsy, Scrofula, Erysipelas, Scurvy, Boils, Blotches, Spots, Pimples, Pustules, Carbuncles, Ring-worms, Scald Head, Sore Eyes, Itch, Scurfs, Discolorations of the Skin, Humors, and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.
