VEGETABLE SICILIAN

**HAIR RENEWER.**

Every year increases the popularity of this valuable Hair Preparation, which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY OR FADED HAIR to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR-DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

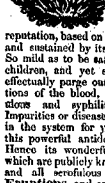
# Sarsaparilla



Is widely known as one of the most effectual remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities or diseases that have lurked in the system for years soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weaknesses, Debility, and Leucorrhœa, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

**THE GREAT SOUTH AMERICAN**

**JURUBEBA**

**BLOOD PURIFIER**

It is not a physic which may give temporary relief, but is sufficient for the first few doses, but which, from continued use for a few days, will effect a radical cure. It is a compound of the juices of several indigenous herbs, which, under the popular name of "Jurubeba," have long been used by the native inhabitants of South America as a sure remedy for the following diseases, viz.: Dyspepsia, Indigestion, Biliousness, Jaundice, Intermittent Fevers, Diseases of the Liver, Kidneys, Stomach, Bowels, Blood, Nervousness, Debility, Constipation, Costiveness, Piles, Rheumatism, Gout, Neuralgia, Consumption, Bronchitis, Coughs, Colds, Sore Throat, Loss of Appetite, Female Complaints, Leucorrhœa, Chronic Diarrhœa, Kidney Complaints, Dropsy, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors, and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

**Cleanse the Vitiated Blood** whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

**Great Eyil Among Worms,** lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual upon the face of the earth whose body is entirely free from the presence of worms. It is not upon the healthy existence of the body that worms exist, but upon the diseased humors that are generated in the system, living nourishes of disease. No system of Medicine, or no medical skill whatever, will free the system from worms like these Bitters.

**Mechanical Diseases.** Persons engaged in Paints and Minerals, such as Plumbers, Typesetters, Gold-beaters, and Miners, as they advance in life, will be subject to pains in the bowels, etc. The gradual poisons this take place of WATER'S VEGETABLE BITTERS once or twice a week, as a Preventive.

**Bilious, Remittent, and Intermittent Fevers,** which are so prevalent in the valleys of our great rivers throughout the United States, the Bile, Liver, and other digestive organs are rendered inactive, and the blood becomes impure by the retention in it of the elements of bile. These Bitters will invariably remove the disease in such cases, if taken according to directions.

**Directions.**—Take of the Bitters as a dram glass at night from a half to one and one-half wineglassful. Eat good nourishing food, such as beefsteak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.
