Hornellville

Hornellville, Oct. 7th, 1872.

Dear Advertiser:—The ball is still in motion, and is being vigorously propelled in Seaborn. Last Monday night there was a large and enthusiastic meeting in our wigwag, addressed by Mr. Tenney of New York city in the masterly style. He is an orator of the first water, and thoroughly posted, and understands the subject, and can tell it. He abuses no person, and throws no dirt, but he does stir up the Democrats with a long fiery epigram that makes them squirm. His party evening was turned out over 500 strong from Hornellville wigwag to attend a meeting in Canisteo; and with our new Grant, or Tanager's capes, and new torches, created quite a sensation, while marching through the streets of Hornellville and Canisteo. The meeting was a large and enthusiastic one in the public square, (there being no hall or room of one kind or another to hold the crowd). The meeting was addressed by Hon. H. Boardman Smith, Mr. Grover, H. Ward, and others, in their luminous, truthful style; and amid the light of bonfires, and the booming of cannon, the meeting adjourned at nearly eleven o'clock, first pledging Seaborn to elect S. Gilbert Eric, member of Assembly, by over 1000 majority. While this scene was being enacted at Canisteo, something very different was transpiring in Hornellville. The Greelyites were holding a meeting in Metropolitan Hall, addressed by Col. Feltner, who the holder of a lucrative office in the city government of New York city, but who acquired his title of Colonel while fighting in the rebel army. A few nights since they held a similar meeting in Canisteo, addressed by a similar individual, late of the rebel army. Truly things are coming to a pretty pass, when we have to import rebel officers into the Empire State, to teach the honest yeomanry, artisans, and mechanics how to vote, how to cast the ballot, so they may accomplish what they failed to accomplish by the ballot. "Oh consistency thou art a jewel." The Conglomerates must be sorely pressed for speakers. Next Wednesday night we have another meeting in the wigwag. We are working, working, and the way we will take the wind and bluster out of the sails of the sore head, copperhead, rebel junk on the day of election, will forever be a caution and warning to all such conglomerate crews. I took a turn up through Wyoming and Erie county a few days ago, and found them O. K., and sound to the core for Grant and Wilson. Lyman K. Day, Eric's gifted son, was nominated for Congress by acclamation amid great enthusiasm, and will triumphantly elected. Two years ago he was defeated by "Bill" Williams, by the use of \$50,000, Tammany funds. That snip has gone down now, and its cohorts have also sunk with it. It is by the New York Herald, that Greeley is still "swinging around the circle," delivering his silly messages. His recession speech in Pittsburgh, will lose him 2000 votes in the old Key-Note State. The Greelyites are in now making another appeal to their stem the current, but all in vain. I see that A. N. Cole has promised to reduce the Republican majority to 700 in old Allegany, and if father G. will come up there, he will invade him the county. Poor fellow! how he does squirm under his inflated scalp. Wonder if the Greelyites have promised to retaliate him in a Custom-House position, where the stealings will pay better than the Erie Press does in Wellsville. Yours Truly, Vox Populi.
