Churches and Societies. M. E. Church, Rev. M. H. Davis, Pastor. Services every Sunday at 10:30 a. m. and 7:30 p. m. Sabbath school 9:15. Prayer meeting Thursday evening 7:30. P. M. Church, Rev. E. J. Shaw, Pastor. Services every Sunday at 10:30 a. m. and 7:30 p. m. Sabbath school 9:15. Prayer meeting Thursday evening 7:30.

State Fair. We had the pleasure of attending the State Fair last week at Elmira. In justice to the managers of the society, and the people of Elmira, we must say that it was a perfect success in every respect. The display upon the grounds was good, and the manner in which the prizes were awarded we believe gave general satisfaction. Every thing was done by the good people of Elmira, that could be done, to make it pleasant and convenient for those attending the Fair. There is no city of its size in the State that furnishes so many beautiful sights as does the city of Elmira.

School Meeting. At the annual school meeting held at the school house on Tuesday evening of the 20th inst., the following officers were chosen: Trustees: B. Phinney, re-elected, Dr. F. J. Baker, on the place of A. D. Brown, and G. M. Barney in the place of Geo. W. Estabrook, resigned. An appropriation of \$2,775 asked for the expenses of the coming year was allowed. For the want of time we shall defer any further remarks on the meeting until next week, when we will together with the report in full of the board, publish their estimate.

Farwell. Rev. M. H. Davis, pastor of the M. E. Church, preached his farewell sermon on Sunday last. Mr. Davis has filled the pulpit in this place for two years, during which time he held one of the best and best-revered meetings ever held in this place, resulting in the most good. It is a hard worker, and a faithful minister of the Gospel, and we sincerely regret that he is to take up his abode elsewhere. Mr. Davis will move to Hurleville. Whether he will preach the year to come, is somewhat uncertain as yet, but whether a minister or a civil citizen Elmira will gain a live man and a law-abiding citizen.

Democratic Meeting. The Democrats of Andover held a meeting at Ellis Hall last Saturday evening. The hall was well filled, and we noticed that a good number of the voters present were Republicans. The meeting was presided over by John Frost, and attended by Gen. Ben. C. Frost, and J. W. P. Smith. The meeting was a success, and we noticed that a good number of the voters present were Republicans.

Those indebted to us for job work, advertising, and subscription, will please remember that they must settle the same by the 10th of November, if they wish to save cost, for every dollar due at that time, will be left in the hands of an officer for collection. This is business, gentlemen.

Lost. On Sunday last, a leather pocket book, containing some money, and a note given by Wm. Potter to the store of E. Donnelly and the De. pet. Any person finding the same will be liberally rewarded by returning it to its owner, Mr. E. Donnelly.

Andover Union School. SCHOOL EXAMINATION, &c. The third semi-monthly examination of the Andover Union Free School for the current term was held on the 4th inst. Below will be found a report of the 5th, 7th, 8th, and 9th grades.

Andover has one of the best Musical bands in the county. They are fully organized for the campaign. Clubs from adjoining towns can do no better than to secure their services for meetings.

Our part are inexcusable. No human interest ever was, or ever will be promoted by inattention. Indifference will ruin the noblest enterprise ever projected by the human mind, or even by Divinity. Schools do not constitute an exception. The indifference of patrons may ruin the best school ever organized, and it will surely do it if persisted in.

We have received a copy of the first issue of the Cuba Weekly Herald, published at Cuba by the Greeley Society, and will, it is said, reproduce the contents of the present Democrat. The Herald, makes a total of three papers in this country, not counting the companion, a constitution, copyright, bargain, and a number of other things, Democratic and here we will say, the most respectable and best conducted Democratic paper ever published in this country. The Free Press, a paper that has been nowhere for the last three years, supporting candidates of any party, and of anything that would pay the highest for its support, and never carried a demerit on its guard with it. It is looked upon by the honest people of all gray counties since it passed into the hands of its present managers, as a "whispering sheet." What the Herald will bring forth we will wait to wait and see. It certainly does not make any very strong promises in the way of "righteousness" on the star. It is a very clean and well arranged sheet, but its bought up "principles" are a little weak.
