☞VOTE THE WHOLE REPUBLICAN TICKET. DON'T TRADE. DON'T BET UNTIL AFTER YOU HAVE VOTED.

Look to the Details.

Republicans!—what does your town organization mean? Is it alive, or sleeping, or dead? Have you a poll-list made for election day? Have you men [illegible] to check off the voters, so that you may know the laggards to send after?—Have you made arrangements to have men and teams secured, not talked about?—Have you seen to all the details for getting out a full vote? If not, don't let Monday's sun set on your delinquency.

Be Early at the Polls.

If three-fourths of the Republican vote in this County can be spoiled BEFORE NOON on Tuesday next, it will increase the majority for Grant, Dix, and Crandall THREE HUNDRED, making our majorities upwards of THREE THOUSAND. It should then be known whom to send for.—A strong band of workers would be on hand for the afternoon. Vote early and take your neighbors with you. Let every man go loaded.

Vote the Whole Ticket.

The Republican ticket is this year too good, and the opposition ticket too poor, to warrant any scratching or trading.—Vote the whole ticket. Whatever may be proposed or trusted as to the possible policy of the coalition, everybody knows that the rights of citizens, the financial honor of the country, the dignity of the flag, and the material interests of the country, are all safe with President Grant.

The Only Safe Way.

The only safe basis to act upon is to believe that we need just *one vote to* [illegible] Labor for this *one* until sunset election day, and if we have a million to spare it will make victory more complete. Let every man be at his post till the battle is won and the victory announced.

How They Cheat the Irish.

The Democrats dare not run for Governor a man the Irish would not vote for [illegible] the Irish are expected to vote for W. Miner, and if Miner [illegible] will vote for Hoffman for [illegible] Senator—a much better [illegible] than Governor. They expect [illegible] the Irish easy.

...tion of Taxation.

...reduction of taxation is [illegible] the administration which [illegible] Liberals fail to notice. [illegible],000, have been [illegible] the burdens [illegible] Grant. Nearly [illegible] to pay free taxes [illegible] and this is not all. [illegible] reduction of taxes [illegible] been reduced over [illegible], do you suppose [illegible] gain [illegible] Grant [illegible] Democratic [illegible] this [illegible] Democratic [illegible] Democratic [illegible] Democratic
