Free and Unshackled

Thursday, February 9, 1874

Published for the Proprietor by J. J. HARMAN & CO., at No. 111 Broadway, New York.

Of four circulating penny newspapers in Ohio, one is a Republican and three are Democrats.

The Democratic State Convention of Ohio, met at New Haven on Tuesday.

The Democratic party for the past five years has had a good deal to say about the State.

A few days ago the Indian Commission reported that during the past year the number of Indians killed by the whites was in excess of the number of whites killed by the Indians.

There is a wide spread distrust of the present Administration among the people.

The Senate has passed a bill for the relief of the insolvent debtors of the State.

could claim that such an amount was excessive. We have not the slightest doubt that the Canal Ring could rather pay back their stolen \$20,000 than have Thompson tell all that he knows of their schemes, and who profited by them.

THE NEW POSTAL LAW. The bill reported in the House by Mr. Tilden, Secretary of the Post Office, provides that no newspapers and periodicals not exceeding four ounces in weight, sent from the known offices of publication to regular and bona fide subscribers, postage shall be charged at the following rates:

Per quarter pound, on publications sent less frequently than once a week, two cents; once a week, three cents; twice a week, six cents; three times a week, eight cents; daily, twenty cents.

And let every appropriation be carefully examined. These are times of retrenchment, there should be no loose giving away of the funds of the State.

Mr. White of the Jamestown Journal has been reading an address on the subject to the Farmers' Club. He wants taxes assessed as follows:

1. Assess all farming lands occupied by less than 100 acres, at one-half the actual value of the land, not to include the buildings.

2. Assess each occupied lot in any city not to exceed one-third of its actual value at fair rates, not to include the buildings.

3. Assess all occupied lots in incorporated and unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

4. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

5. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

6. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

7. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

8. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

9. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

10. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

11. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

12. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

13. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

14. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

15. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

16. Assess all vacant or unoccupied lots in unincorporated villages, and in cities, in excess of one acre, one-fourth of the full actual value at fair rates, and all vacant or unoccupied lots in villages and cities at the full actual value, at fair rates.

providing in his message, of the Prohibitory Liquor law, and complicating the law by the State's consular duty by raising upon rum.

Two men named Mahoney and Paul have been found guilty of robbery in the first degree, in a New York case, and sentenced respectively to two and ten years each in a State prison.

There is a balm in Gilead, and these Douglases are merely but slowly coming to judgment.

Enlightened Men of Science have discovered that electricity and magnetism are developed in the system from the ability, low spirits, and lack of energy a person feels when this vital element becomes exhausted.

The second-best building in Louisville, Ky., is that occupied by the Public Library. It was paid for by three Congresses, namely by a bill introduced by Ex-Gov. Thos. F. Brantley.

The board is authorized by the Legislature to give five of the fourteenth place in the State to the Public Library, and furnishing the building of the State with books in relation to the Library, and has given three places to the Library, and has made it the law in the country.

At the season of the year, when so many of our people are suffering from colds, we call attention to Ayer's Cherry Pectoral, as a sure cure not only for coughs and colds, but all affections of the lungs and throat.

It is not only for many years, we are confident, but all affections of the lungs and throat. Having used it in our family for many years, we are confident that it is a safe and reliable remedy.

It is not only for many years, we are confident, but all affections of the lungs and throat. Having used it in our family for many years, we are confident that it is a safe and reliable remedy.

CONTINUE (as in years past) to gladden the hearts of their many CUSTOMERS by closely watching the New York Markets, taking ADVANTAGE of the same; ALWAYS PAYING CASH to get off Every percentage allowed Close Buyers, Selling their goods as low as it is POSSIBLE for them to be sold and make a Living Profit.

Attention. I will send a pair of Blue Bow Spectacles to any address on the receipt of five cents, which is the cost of sending a pair of spectacles by registered letter, if the person wishing will say whether or not they have ever worn spectacles, and how long worn. This will enable those who wish a pair of Bow Crystal Spectacles to get at the precise number desired, by view of a small card with the spectacles sent, and stating to me about how long off it can be worn most distinctly, as I take the name of the person and number of the spectacles. See Official Notice in other columns. J. C. POTTER, Optician, 2nd 200, N. Y.
