Have You Ever Seen Jones?
Jones was indisputably full. Being justly aware of his inability, he endeavored to conceal it from the public by hypnotizing his coat very closely, insinuating an abundant stiffness to his lines, and tripping over his own heels...

Is there any Mother There?
A little girl once followed the workmen from her father's grounds, when they went home to their dinner, because she was very fond of a kind of man who was one of them. When he looked from his door, he saw her sitting on a log waiting for him, and invited her to go into the cottage. She looked in, saw the strange faces round the table, and hesitated. When he looked back, she raised her sweet little face, and inquired:

There is any mother there?
"Yes, my dear, there is a mother in here," answered.

There is any mother there?
"Oh, then I'll go in; for I'm not afraid if there's a mother there!"
