Westfield, Chautauque County, has elected a colored man for justice of the peace. The Jamestown Journal remarks: 'Foster is acknowledged to be a competent man of fair education, and we hope will creditably fill the honor-able position to which he has been elected. It will come rather hard on the democrats in that vicinity, to be sent to jail for vagrancy or petit larceny, or bound over for horse stealing by a "nigger" justice of the peace! If Foster does his duty in that respect, the democrats in that vicinity will be demoralized.'

The Boston Journal has prepared the communique, 'How many apples did our first parents eat in Eden?' Here are the names of the apples: Eve's 1-12 and Adam's 1-12, would not the whole be 1,632? Being a very attentive reader of your paper, I have been entertained with the answers to the communique of 'How many apples Adam and Eve ate?' Your latest number was 823. I believe the following to be the true solution: Eve's 814 Adam, Adam's 814 Eve, 8148 Total.

LOCAL CORRESPONDENCE WHITEVILLE, March 9, 1874. FRIEND BARNARD:—Last a report in the Wellville Reporter of the town meeting held in Independence, and concluded that if the reports from other towns were correct that that town was a most ungodly and unchristian town. It says, first, 'that the entire Republican ticket was elected, with the exception of Collector and Commissioner of Highways.' Second, 'that Wm. Cobb, Rep., was elected by 53 and over Charles W. Williams, Dem.' Here are the facts: At a regular Republican caucus called by the Chairman of the Town Committee, a ticket was nominated, headed by Chas. W. Williams for Supervisor, who has been a Republican ever since the party was formed and the rest of the ticket are also Republicans. Since there has been such a party, the Collector and Commissioner who were elected are Republicans, and not Democrats as stated by the Reporter.
