WOULD NOT BE WITHOUT

VEGETINE!

For Ten Times Its Cost.

The great benefit I received from the use of VEGETINE, induces me to do my testimony in its favor. I believe it to be an excellent remedy for restoring the health when broken down by diseases peculiar to the prime and middle season of life. I would not be without it for ten times its cost.

EDWIN TILDEN.

Attorney, and General Agent for Massachusetts of the Great Central Life Assurance Company, No. 3 State Building, Boston, Mass.

VEGETINE

PURIFIES THE BLOOD AND RESTORES THE HEALTH.

What is Vegetine?

It is a compound extracted from barks, roots and herbs. It is Nature's Remedy. It is perfectly harmless from any bad effect upon the system. It is nourishing and strengthening. It acts on all parts of the blood. It clears the forever system. It gives you good, sweet sleep at night. It is a great panacea for the sick and diseased mothers, for it gives them strength, restores their nerves, and gives them Nature's sweet sleep at night. It is a great remedy by many as a tonic. It is the great Blood Purifier. It is a wonderful remedy for our children. It is relieved and cured immediately. It is very pleasant to take; in fact, very much like it.

Marvellous Effect.

Mr. H. R. Stevens, Dear Sir—I have used the great Blood Remedy, Vegetine, and find its duty to acknowledge the great benefit it has done me in the spring of the year 1869. I was sick from general debility, caused by overwork, want of sleep and proper rest. I was very weak and emaciated. I tried many remedies without receiving any benefit, and finally had given up hope of ever being well or strong. Before I had taken this one vessel, by feeling sensible I was receiving benefit, I was relieved and cured immediately. I continued to take it for about two months, until I was completely restored to health. The effect of this remedy in this case is indeed marvellous. HEATH A. FOLSOM, Dec. 1868. 28 Monument St., Charlestown, Mass.

A Perfect Cure,

Vegetine, June 11, 1870.

Mr. H. R. Stevens, Dear Sir—I was troubled with Rheumatism for about two years, and was under the care of two physicians, but received no benefit. I was induced to try your Vegetine, and before I had taken one bottle I was relieved from pain, and after taking six bottles I was entirely cured. I have not been troubled with the disease since. I have recommended your Vegetine to many persons, and they have used it with the same success. I am now in the employ of the Boston & Albany Railroad, and am exposed to all kinds of weather, but enjoy excellent health. I attribute my present health to the use of Vegetine. I am willing that you should refer any person to me that wishes to know the facts in my case, as I am personally known to many citizens of Boston. C. P. HAINES, Foreman Car Shop, Albany R. R.
