

**PROBATION.**  
The following important act has passed both Houses of the Legislature:  
**AN ACT** to create a Board of Excise in the several towns of this State.  
The People of the State of New York, in Senate and Assembly assembled, May 7, 1874.

**OUR WEEKLY REVIEW.**  
We are obliged to issue one more page before changing the change making much more work than we expected necessitating the entire change of the form. We shall next week endeavor to give our readers and those of the old Free Press the best paper they have read for some time. We have engaged for correspondents some of the best writers in this Congressional District. Our Agricultural Department will be edited and controlled by W. A. Armstrong, Secretary of the State Grange Society, and President of the Champlain County Agricultural Society. His ability as a writer, and his knowledge of the profession, will enable him to furnish our agriculturists with matter of interest and also that which will interest.

On the whole we intend to make the **Advertiser and Free Press** one of the best papers in Western New York. We hope that our readers will bear with us this week for the small amount of reading matter. We will make it up in our next issue.

Those who are indebted to us on subscription to the **Advertiser and Free Press**, will please settle the same at once, and thereby save costs.

**THE ERIC AND MR. McHENRY.**  
This now reported, that Mr. McHenry before leaving Europe, had made arrangements with Mr. Watson by which the Eric should lease the Atlantic and Great Western, paying thirty-five per cent of the gross receipts and interest on the bonds of the road. His business here is to arrange the details. The reason for the lease seems to be the pecuniary assistance rendered by Mr. McHenry in effecting loans for the Eric in the English market. He seems to have been very fortunate in this branch of his management. He has loaned thirty or forty millions for the Atlantic and Great Western, commencing with the fifty thousand first loaned to it, which proved a dead loss. To regain that, seems to have encouraged Mr. McHenry to secure the investment of thirty or forty million more, a million of the Atlantic and Great Western, and a half of that of Queen Christina. While Sir Morton Peto made a magnificent failure with his same Atlantic and Great Western. Mr. McHenry has managed to keep on top of all the crash and fall of fortune and hold his own, which more he is at a loss what to do with. Hiserto he has taken quite a hand in Eric, but somehow failed to make his long desired connection with it. He is said to have paid General Sickles \$100,000 for engineering the Gould deposit.

Mr. McHenry is a million a year, and he is the same ultimate design of leasing the Atlantic and Great Western. He is even said to have lent over \$2,000,000 to Eric, and every way tried to show himself the best friend. But there is yet a disconnection in the terms of his leasing the road, which more he is at a loss what to do with. Hiserto he has taken quite a hand in Eric, but somehow failed to make his long desired connection with it. He is said to have paid General Sickles \$100,000 for engineering the Gould deposit.

Said moneys shall be disposed of as directed by the town board, except in those counties where the support of the poor is a county charge, where such excise moneys shall be paid into the county treasury, subject to the control of the board of supervisors.

3. Nothing in this act shall affect the provisions in any special act in so far as the same provides for any special disposition of the excise moneys and fines.

**MISSISSIPPI.**  
Horror of the Flood!  
New Orleans, La., May 5.—A. F. Mardis writing to the Picayune from Black River, says the country submerged deeper than it was in 1867. Among the people there has been great privation and in some instances suffering. It says: "Picture to your mind the condition of our locality when helpless widows and children are condemned to fight against starvation, with two and a half ears of corn a day." After mentioning other cases of destitution, the writer concludes, "but for the timely arrival of supplies from the relief committee of New Orleans, the suffering here would have been intense. It thrills me with horror to contemplate what our condition would have been had not the Heaven-sent charity reaching us in time. May the donors never know what it is to want. If they could witness the effect of their noble acts, they would fully realize that it is more blessed to give than to receive."

**PLANTING SEEKING FOR HANDS.**  
MEMPHIS, May 5.—Planters from below were in the city, trying to procure hands. They confirm previous statements in regard to the large number of colored hands refusing to make new engagements, thinking that the national government will provide for them.

The river here has fallen about two inches and a steady decline is looked for. It is safe to state that from New Madrid to south of White river, on the Arkansas side, there is not a single plantation entirely submerged, while on the east side the damage is trifling.

**GENERAL NEWS.**  
—Eighty-two cities of Germany now boast cremation societies.  
—Women's rights mass-meetings and meetings are raging in Oregon.  
—Twelve inches of snow fell at Fort Wayne, Indiana, Monday night.  
—General Sickles has squared up his affairs in Spain, and will be home in a couple of months.  
—Most of the cities of the State are making preparations for a proper observance of Decoration Day.  
—The House Committee on Appropriations have completed the pension bill appropriating twenty-nine millions of dollars.  
—Gov. Hartman has signed the new Pennsylvania tax bill imposing a tax of three cents per ton on all coal companies, and also a tax on dividends.  
—A civil damage suit was tried at Avon on the 22d ult. A witness received \$25 from a liquor dealer, who sold liquor to her son, who is a minor.  
—A Boston drug firm, who put up a bottle in place of a penny, were fined by a court decision, of fifteen thousand dollars, by the lady who near her life in consequence of the medicine.  
—Deaths from cough, croup, bronchitis, croup, influenza or whooping cough, will find relief in Dr. Wistar's Balsam of Wild Cherry, which has been used in use for nearly half a century and still maintains its long established reputation as the great remedy for all diseases of the throat, lungs and chest.  
—Bake a piece of bread or meat with this digestion. Add to this mixture a little alcohol, and it will not dissolve. This is indigestion. Beware, then, of indigestion, or tonics, or decoctions containing Sassafras. Sassafras will run "tonics," and rely solely on Dr. Walker's Vinegar Bitters, the best invigorant known, and free from the fiery taste of Alcohol.  
—\$10,000 reward can safely be offered for a more infallible cure for Piles than this. The cures performed by this wonderful remedy are simply miraculous. Lotion, ointments, and internal remedies produce more harm than good, but Anker's is an external remedy, a simple suppository, supports the tumors, acts as a soothing poultice and medicine, gives instant relief, and cures absolutely. All Doctors prescribe it.—Price \$1.00. Sold by Druggists every where, and sent free by mail from Principal Depot, 46 Walker St., New York, 278#4.  
—Old Probabilities.—Our learned friend, who sits at Washington, and receives from the signal stations of a continent, reports on the vicissitudes of the weather, sorts, compares and infers from them, the dry ballistics which everybody reads, might reasonably add, in view of our late sudden changes, "Colds, Coughs and Affections of the Throat and Lungs will prevail in the East and North. Warning signals continue in the West and South. In view of the great of these probabilities, we commend to all sufferers that excellent and potent specific, Ayer's Cherry Pectoral. It has no counter instance, saved life, and has, within the knowledge of every one, alleviated most alarming symptoms and effected a cure almost surpassing belief. So certain is it that the medical faculty largely use it in their practice, it is the most needed consumption, it prolongs life and softens the stay of the afflicted sufferer. About these days it

is well to have it in the house. By its timely use, serious disease may be checked and turned aside.—(Nashua Iowa Post.)

**State Library.**  
ALBANY, April, 1874.  
The Trustees of the Library beg to call attention to one means of increasing its usefulness. Many persons hold collections of pamphlets, literary, theological, legal, &c., odd numbers of society reports, almanacs, periodicals, and discarded books, for which they have no use, but which are desirable in a library of reference. In the changes of domestic arrangements, they are frequently destroyed or sent to the paper mill, and in a few years a single copy even may become rare; when placed in a public library, its preservation is assured both for the first owner and for the public. In many cases a pamphlet of little apparent value today acquires an unanticipated importance in the future. While this request may appear of small importance, a general response may yield important results.

Every donation therefore of pamphlets or books will be gladly received by the Trustees, and acknowledged in their annual report to the Legislature. If duplicates are received, they will be sent in exchange. Periodicals may be sent by express or mail, directed, "State Library, Albany, and the charges will be paid on delivery. If from the city, they will be for when desired, if notice of the address is sent through the Post-office.
