Poetry.

"The Hot Season."
By Oliver Wendell Holmes.
At last the summer's heat has come,
And with it all the joys of June,
The sun is shining brightly down,
And the birds are singing in the trees,
The flowers are blooming in the fields,
And the children are playing in the meadows,
The hot season is here,
And we are glad to see it,
For it brings us all the joys of life,
And the love of our friends and neighbors,
The hot season is here,
And we are glad to see it,
For it brings us all the joys of life,
And the love of our friends and neighbors.
