Mr. Frank Hall, of Belmont, is making a canvass among the citizens of this place with the object of securing an organization of an Encampment of the Knights of St. John and Malta, a fraternal, military and beneficial order, concerning which probably considerable is know, at least by some of our people. Flourishing encampments already exist in Wellsville, Bolivar and Belmont, in this county, and the organization has a large and growing membership in this and other States. The order dates back to the year 1048, at which time the Order of St. John was organized at Jerusalem, the name afterward being changed to the Knights of St. John and Malta. Very many benefits are to be derived from membership in this order, which can not be appreciated by those who are not members. It requires at least twenty charter members to organize an encampment, and if a sufficient number are obtained here, those who join are likely to have no regrets after they are once initiated into the order.
