A Big Setting of Eggs.

Perhaps the biggest setting of eggs on record was made in California recently. An ingenious hop grower put his hopdrying kiln to a novel use while waiting for the fall ouring of his hop crop. He fired up the great furnace, execulty gauged the temperature with a terminator, then appead out page 14 across 6,500 freshly laid eggs. It is a forted that at one time that

Before the cause of consumption was known (that was only a few years ago) we did not know how Scott's Emulsion of cod-liver oil did Now comes the interesting and scientific Now comes the interesting and scientific Now comes the interesting and scientific Now of this story. In a day or so after Mr. Hoxey's burial, the surgeon went to the campudia, and there sat the poor broken-legged mohalie. The physician told me that the Diggers measured around the leg in several places, then cut a piece out of a slippery elm tree, near the size and shape of the leg, took the bark off, shaved off the outside, and made as fine a splint as he ever saw, and fitted it around the broken limb, leaving the space open about one-quarter of an inch on the top, and were pouring in a little water to keep down the fever heat, and that in a few weeks the squaw was limping around town again. so much good in consumption and in the conditions that lead to consumption.

The explanation is interesting. We send it free in a book on CAREFUL LIVING.

Unlike the sarsaparillas, which claim to be good for the blood in March, April, and May, "Golden Medical Discovery" works equally well at all seasons.

Unlike other blood-purifiers, too, it's guaranteed to benefit or cure, in every case, or your money is returned.

On these terms, it's the cheapest. You pay only for the good you get. But it's the best—or it couldn't be sold so.

How to Deliver a Letter of Introduction The person to whom a letter of in-troduction has been given should leave it at the house of the person to whom it is addressed, together with his own card, on which is his ad-dress. His part is then done, except dress. His part is then done, except to await the pleasure of the one whose acquaintance he seeks. Could not bear to have any one walk across the room or make any noise of any kind. Was also troubled with Female Weakness and was completely used up. I had doctored with the best Physicians I could get, but grew worse all the time. Having read of your Remedies I at fast made up my mind to try them. I had very little faith for I thought, perhaps, they were no better than lots of others that I had used before without any benefit. But thanks be to God and also to you, I tried them and found it to my benefit. I only took two bettles of your Swamp-Root and one of Female Remedy and used one bottle of your U. & O.
