

With No Idea of

"Closing Out"

OR "GOING OUT OF BUSINESS,"

HERE WE ARE AGAIN! AND STILL AT IT.

Three years ago we used the front page of "The Andover News," trying to convince the people of this section of the State that

ANDOVER WAS THE PLACE TO BUY GOODS.

We have used its columns often since for the same purpose. Have we succeeded in making them believe it? We think so, for an actual sale of

\$150,000 OVER ONE HUNDRED AND FIFTY THOUSAND DOLLARS **\$150,000**

during the past three years proves it. When we say \$150,000 we do not mean one half that amount, but the whole of it. We claim this fact alone proves that

Andover IS The Place to Buy Goods!

Therefore you should fall in with the crowd and give us a chance to do you good.

OUR SPRING ASSORTMENT IS VERY COMPLETE

in every line. Each of our several departments is unusually full. We

MAKE SPECIAL MENTION OF DRY GOODS,

and that means hundreds of styles and patterns that space will not even permit us to mention. You should see these goods to appreciate them.

LADIES' AND MISSES' SPRING AND SUMMER WRAPS.

We certainly gained the reputation of selling Ladies' and Misses' fall and winter wraps so cheap that very few felt it necessary to go elsewhere to find a larger assortment to select from, or expecting lower prices, our sales being double that of any previous year. We shall try and sustain this reputation by keeping the goods to show you and the prices right.

CLOTHING.

We defy any exclusive clothing house, even, in this section, to show a better assorted line of clothing and a greater variety of sizes or lower prices for same quality of goods. Our new spring goods are now in and more coming every day.

Carpets and Floor Oil Cloths.

Our constantly increasing sales in Carpets have given us courage to more than double our former purchases of these goods, and we can give you a great variety of patterns from which to select. We will duplicate any prices offered by any Carpet Store in this part of the State.

WE HAVE TOO MANY SPECIALTIES TO OFFER

To try and mention them all in this way. We have separate departments for all our goods, using seven well lighted rooms in all, on two floors. Dry Goods, Notions, Ladies', Misses' and Children's fine Shoes, Groceries, Crockery, Stone and Glass Ware, etc., on first floor. Carpets, floor Oil Cloths, Clothing, Ladies' and Misses' wraps, Door and Window Draperies, Lace Curtains, window shades (and all the necessary fixtures), Trunks, Satchels, Hats, Caps, Boots and Rubber Goods, etc., on second floor. With our immense stock, and a store so completely arranged for showing them to your advantage, why can we not hope to sell you what you want? We do not claim to sell all the goods sold in Andover, but we do claim to sell lots of them.

WHY NOT BUY YOUR GOODS IN A LIVE TOWN?

And of those who have the courage to keep, not a hand-full of stuff to select from, but carloads of new goods coming all the time, bought in quantities that enable them to be SOLD LOWER TO YOU than many smaller dealers can possibly buy them for. This we claim is another point in our favor, as well as yours.

Remember, Also,

If you have anything you cannot sell to advantage elsewhere, come and see us. We buy everything on the market in the line of produce. (Special mention at this season of the year we make of fresh Butter in rolls or packages, also Maple Sugar and Syrup in cans.) Our past record, for so many years at the same old stand, on the corner of Main and Centre streets, near the best shipping station on the Erie R. R., will bear us out in this statement.

To be convinced that this is not all talk, but BUSINESS, call on us at your earliest convenience. With plenty of experienced help to assist in waiting on you we shall do our best to serve you.
