A Piano

SENT on trial

WE PAY FREIGHT— If you do not keep it, We think you will keep it. It pleases everybody. It is an honest piano. It is the WING Piano.

You may have a preference for some other make. Still you are a reasoning creature, and open to conviction, no doubt.

The question is too important to be settled without due thought. Years of satisfaction or of regret come with a piano. Does it wear well? The WING Piano does. "Look before you leap."

Whatever piano you buy, there are piano secrets you ought to know. Our free book tells them. Send a postal card for it. It may help you to buy a different piano. We take that risk. We also tell you the nearest dealer where you can see a WING Piano. It is worth looking at. So is the price. WING & SON, 245 Broadway, New York.
