WE PAY FREIGHT
If you do not keep it.
We think you will keep it.
It pleases everybody.
It is an honest piano.
It is the WING Piano.

You may have a preference for some other make. Still you are a reasoning creature, and open to conviction, no doubt.
The question is too important to be settled without due thought. Years of satisfaction or of regret come with a piano. Does it wear well? The WING Piano does "Look before you leap."

Whatever piano you buy, there are piano secrets you ought to know. Our free book tells them. Send a postal card for it. It may help you to buy a different piano. We take that risk. We also tell you the nearest dealer where you can see a WING Piano. It is worth looking at. So is the price. WING & SON, 245 Broadway, New York.

The work of revision occupied over ten years, more than a hundred editorial laborers being employed, and over \$300,000 expended before the first copy was printed.
