Mrs. Harrison died Tuesday morning at 1:40 o'clock. Her death had been expected for days and weeks. She has been taken away in the prime of womanhood, but her name will live long in the hearts of the American people.

POLITICS.

KEEP OUT FOREIGN COMPETITION. Georgia believes in Free Trade and Cleveland Democracy, sells her convict labor in the open market, throws rotten eggs at and Kukluxes political opponents, and then boasts of her big Democratic majorities.—Chicago Inter-Ocean.

If the consumer pays the tax, why ere the tin plate mills closed in Wales about a year after the passage of the McKinley Law? Why did they not go on manufacturing, letting the American consumer pay the duty?-Cleveland Leader.

Since Mr. Harrison's term began, the Treasury Department has paid off \$259,003,650 of the public debt at a cost of more than \$296,000,000. That is the effective answer to the bankruptcy howl of the Democratic organs .- New York Recorder.

The tail of the storm of political madness struck Washington and Oregon last and the Populists may be expected here to stay with their colors a while longer, but at the East and Middle West the People's Party is fast crumbling away .-- Seattle Post-Intelligencer.

Do the workingmen know that the McKinley Law prohibits the importation of prison manufactures? It does; and it has had the effect of lifting our free labor out of competition with shiploads of Europeau prison manufactures .- Binghamton Republi-

It is said that 90,000 idle workmen are now concentrated in the city of London. We are not blessed with Free Trade in this country, and it may be remarked that fewer idle sober men can be found in New York City to-day than at any time since the close of the War .- New York Adver-

KEEP OUT PROTECTION.

If the dishonest and corrupting methods of the Republican party are permitted to continue a few years longer, the fate of the Roman repubthe will be ouos .- Cleveland Plain

The cooked statistics of Mr. Peck, which even Mr. Sherman in his desperation stoops to use, are of no avail against the direct personal knowledge of heads of families .- New York Times.

Poor old man Blaine! When he allowed himself to become the tool of a few upprincipled politicians and failed, he lost his power. His recent speech has met no response.-Birmingham Age-Herald.

There is every reason to believe that earnest and persevering werk on the part of Democrats and friends of Tariff Reform will result in a Democratic success conk Hiscock.

The campaign doth wax in every corner of the land, Let Tom Reed continues the silence he has af feeted since his own re-election to Congress was assured.—Springfield Republican.

The Republican party is the party of original trickery. In the invention of deceits, employment of artifices and the application of frauds it has had no equal. It is not limited to old devices but toobs up in each successive campaign with new schemes and fresh strategems. It rise and originates, up and down the range of clamor, deception and crime, displaying genius in in vention and facility and vigor in execution worthy the popular wonderment they excite.—Elmira Gazette.

KEEP OUT WHISKEY. Patriotism is a more sacred duty

than partisanship .- Lowell (Mass.) Campaign.

The saloon is the adopted child of icense and tax voters. What are nation mourns for the loss sustained they going to do with it?—Ashlana

Not one word can be said in favor of the liquor traffic, but more than ten millions of votes will be given in favor of it in November. -- Irrepressible Conflict.

While reciprocity is being discussed by Republican leaders, it might be well to remember that the Prohibition party is the only party offering genuine reciprocity to the people. Redlands (Cal.) Facts.

This "moral suasion" business makes us very tired. You can moral ly "suase" a man from now to Doom'sday, and you won't do any good unless you have the right kind of law to back your moral sussion. Monmouth (Ill.] Truth.

Prohibitionists, there is no royal road to success, but success is assured if you stand by your guns and claim what is just and right.—Southern

LANE'S FAMILY MEDICINE. Moves the bowels each day. In order o be healthy this is necessary.

RHEUMATISM PREVALENT.

PEOPLE WHO HAVE FOUND RELIEF.

Rheumatism is more prevalent here

Rheumatism is more prevalent here than ever before.
When this disease fastens upon an individual with its soreness and pain, swelling the joints, rendering him helpless in his movements, and shattering his usefulness, he is indeed an object of pity.
The slight pain in the back, pain or stiffness of the joints or muscles, is a warning indication of an improvished condition of the blood, a low state of health, and if not attended to at once, means rheumatism. Rheumatism can now be relieved and

cured.

Since the introduction of Favorite Remedy, by Dr. David Kennedy, of Rondout, N. Y., there has been fewer sufferers than ever before.

Favorite Remedy drives out rheumatic poison from the blood, restores the circulation, strengthens the nerve power.

The best proof of its value is the good it has done.

The best proof of the first done.

'I was afflicted with inflammatory rheumatism for fifteen years, writes Mr. E. F. Tayer, of East Ymssu, N. Y. So severe that I was supported the first was the disease since, and that was three years ago,' the disease since, and that was three years ago,' the disease since, and that was three years ago,' the disease since, and that was three years ago,' the disease since, and that was three years ago,' the disease since, and that was three years ago,' the disease since, and that was three years ago,' the disease since, and that was three years ago,' the disease since, and that was three years ago,' the disease since, and that was three years ago, which is the first was the

it, and entirely cured me. Have felt ho trace of the disease since, and that was three years ago."

The beautiful daughter of Mr. James Mc Rarland, of DeMoines, Ia, was helpless for months with scintic rheumatism. After a few doses of Dr. Kennedy's Favorite Remedy. she began to grow better, appetite improved, slept well, and continuing its use, was cured.

"I was confined to my bed with rheumatism near my heart, writes Hr. C. L. Seaver, of Birmingham. Conn., and used Dr. Kennedy's Favorite Remedy but a short while before it drove the rheumatism out of my system."

Mr. G. Lausing, of Troy, N. Y., had rheumatism so bad that he had to be turned over in bed. After using Dr. Kennedy's Favorite Remedy but a short while was restored to health.

What reason then for suffering with rheumatism or neuralgia. This medicine will help you if given a trial.
