by Family and School.

The Webster's Unabridged, comprising lexicons of 1864, (all still copyrighted) has been thoroughly revised and enlarged, under the supervision of Noah Porter, D.D., LL.D., of Yale University, and as a distinguishing title, bears the name WEBSTER'S International Dictionary.

The work of revision occupied over ten years, more than a hundred editorial laborers being employed, and over \$200,000 expended before the first copy was printed.

SENT BY ALL BOOKSELLERS.
Pamphlet sent free by the publishers.

Caution is needed in purchasing a dictionary, as photographic reprints of an obsolete and comparatively worthless edition of Webster are being marketed under various names and often by misrepresentation.
