

THE ANDOVER NEWS.

OL. VI

ANDOVER, ALLEGANY COUNTY, N. Y., DEC. 21, 1892.

NO. 17.

MRS. ELMIRA HATCH.

HEART DISEASE 20 YEARS.

Dr. Miles Medical Co., Elkhart, Ind.
Dear Sirs: For 20 years I was troubled with heart disease. I would frequently have fainting spells and smothering at night. Had to sit up or get out of bed to breathe. Had pain in my left side. I had most of the time as if I became dyspeptic. I was very nervous and nearly worn out. The least excitement would cause me to faint. I was also much troubled with fluttering. For the last fifteen years I could not sleep on my left side or back until I began taking your *Heart Cure*. I had not taken it very long until I felt much better, and I can now sleep on either side or back without the least discomfort. I have no pain, smothering, dropsy, no wind on stomach or other disagreeable symptoms. I am able to do all my own housework without any trouble and consider myself cured.

Elkhart, Ind. 1888. MRS. ELMIRA HATCH.
It is now four years since I have taken any medicine. Am in better health than I have been in 19 years. I honestly believe that *Dr. Miles' New Heart Cure* saved my life. I am now 62 years of age, and am able to do a good day's work.
May 20th, 1892. MRS. ELMIRA HATCH.

How's Your Liver?

Is the Oriental salutation, knowing the good health cannot exist without a healthy liver. When the liver is torpid the bowels are sluggish and constipated, the food lies in the stomach undigested, poisoning the blood; frequent headaches ensue; a feeling of lassitude, despondency and nervousness indicate how the whole system is deranged. *Stanton's Liver Regulator* has been the means of restoring more people to health and happiness by giving them a healthy liver than any agency known on earth. It acts with extraordinary power and efficacy. NEVER BEEN DISAPPOINTED.

As a general family remedy for dyspepsia, Torpid Liver, Constipation, etc., I hardly ever use anything else, and I have never been disappointed in the effect produced; it seems to be almost a perfect cure for all diseases of the Stomach and Bowels.
W. J. McClure, Marcon, Ga.

Father Mollinger's ORIGINAL PRESCRIPTIONS.

The Woman's Christian Temperance Union of Andover meets the first and third Thursday in each month.

The eminent Dr. John Lazars says: "During the prevalence of cholera, I have had repeated opportunities of observing that individuals addicted to the use of tobacco are more disposed to attacks of that disease, and generally in its most malignant and fatal form."

Dr. Willard Parker, long at the head of the medical profession in New York City said: "All who smoke or chew are more apt to die in epidemics than other people."

Dr. O. M. Stone, of Boston, said: "The idea that tobacco prevents disease is an error. A tobacco user's chances of recovery from any malignant disease are lessened fifty per cent."

Capt. G. B. Pettingill, who for many years commanded vessels trading between Boston and Cuba, Mexico and South America, said: "Very few tobacco users recover from yellow fever. I once lost half my crew with it in Havana. Every man who died used tobacco, and every one who lived did not use it."

Dr. Harris, of the New York City dispensary, where more diseases are treated than in any other place in America says: "It is scarcely possible to cure a syphilitic sore, or unite a fractured bone in a devoted smoker."

The London *Lancet* says: "No smoker can be a well man."

Ask the motherhood of New York where it wants protection. It will answer: "We want it where our sons are." Where are the sons of New York? In the saloons. The same Congress that refuses even to consider the ravages of the liquor traffic appropriates \$100,000 a year to investigate hog cholera. One hundred thousand dollars outlay to save swine from infection; one hundred million income to spread contagion in the way of boys.

The absurdity of putting the tariff issue before the drink problem in our presidential campaign is easily seen when a comparison is made in statistics. The total of collections for tariff, in 1891, was about \$220,000,000, while the total consumption of liquors in that period was over \$1,200,000,000.

To strike at iniquity is a part of the business of the church—indeed, it is the business of the church.—*Dr. Parkhurst.*

"Let the boys sow their wild oats?" No, no, no! a thousand times no! There is plenty of good grain right at hand, and the crop will be none too good; not all soil brings forth "a hundredfold." While we write there lies in a soldiers' hospital a man of brains, helpless, suffering, moneyless, praying for death to relieve him, and before us lies one of the most pitiful letters we have ever seen. What is the matter? Nothing, only he sowed wild oats when he should have sown good grain, and in after years, when he tried to handle the true seed, his shattered system left him no talent for harvesting. Life is too short to be frittered away or wasted.

BUCKLEN'S ARNICA SALVE.
The best Salve in the world for Cuts, bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions, and positively cures Piles, or no pay required. Hold a bottle of *Otto's Cure* to the light and observe its beautiful golden color and thick, heavy syrup. Samples free. Large bottle 50c.

PULMER VALLEY NEWS.

Eugene Clark was home for a short visit last week from Buffalo, where he is engaged in business.

Mr. and Mrs. M. G. Stout visited in Olean last week.

Harry Fulmer of Wellsville has been stopping with Ed. Freeman for a few weeks.

Frank Coyle and family are away visiting friends in Richburg and vicinity.

Mrs. C. Mingus, who has been sick for several weeks, improves very slowly.

It is reported that Conrad Mingus has a tumor of some description growing in his eye, nearly covering the sight. His other eye is giving out, no doubt in sympathy with the first, which renders him nearly blind. This is truly a pitiable condition to be placed in.

Mrs. P. D. Lynch is suffering from a paralytic stroke, but we learn she is improving slowly under treatment of Dr. Stillman of your city.

Many patrons have visited our school during the last two weeks. Perhaps the new seats and other improvements attracted them. If so tally one for the seats. We don't know of any one branch of industry which receives so little personal attention from those most interested as our common schools, which in this section are seldom if ever visited by the children's parents. We ask for "Reform."

Miss Ethel Fulmer is teaching in the Patten district.

There was a social party at Mr. Conklin's residence last week, quite well attended. Mr. — says the boys stamped the grass down out of sight between the house and barn.

McLaughlin Bros. are cutting wood for M. G. Stout.

We learn there is a suit at law of novel character soon to be tried between parties in this section. We await with interest the result, when we may give a little space to this subject for the benefit of others who may be liable to get into the same box.

We noticed the presence of Commissioner of highways, N. L. Beebe, in this place last week. Wonder if he ordered the wire fence removed from the road?

WHITESVILLE NEWS.

Chas. Wildman was taken sick Saturday, Dec. 17, with a numbness of his hands and arms. He is some better at this writing.

Melvin Niles and wife of Alfred spent Sunday in town visiting at Chas. Wildman's.

Mrs. James Wilcox is sick in bed with a severe attack of rheumatism. The donation for Rev. E. S. Remington was well attended, the receipts being \$80.

A union Christmas tree will be held in the public hall on Dec. 24th, Saturday evening.

Dr. A. J. Remington is home from Buffalo, where he has been attending a course of lectures.

Some of our people have a slight attack of Rail Road fever which I think will pass off in the spring.

The Methodists and Baptists are holding union service on Sunday evenings.

THE COMPASS PLANT.

On the western prairie is found the compass plant whose leaves point to the north. We wish to direct you to the great health giver, Bacon's Celery Cure. If you are suffering from dyspepsia, liver complaint and indigestion, if you sleepless at night and awake in the morning feeling languid, with coated tongue and sallow haggard looks, Bacon's Celery Cure will cure you and restore you to blooming health. Trial packages free. Large size 50c. at L. A. Burrows sole agent.

The Banquet.

Probably the most elaborate spread that ever graced Allegany county tables was that to which the Board of Supervisors and other guests sat down at the Fassett House in Wellsville last Wednesday evening, by invitation of the business men of Wellsville. Certainly no finer menu, no sweeter music, no better speeches, and no heartier cheer could be desired. The guest numbered over one hundred, and the praises from all sides concerning the demonstrated ability of Wellsville's business men to entertain, left no room for doubt that the affair was in all respects as complete as detailed arrangement and adequate facilities could make it. The toasts responded to were as follows: "Welcome to Our Guests"—Frederic H. Church.

"The Judiciary"—Hon. S. M. Norton.

"Allegany County—Its Place in History"—O. A. Fulmer.

"The Press"—V. A. Willard.

"The County Seat"—D. P. Richardson.

"Supervisors, Past, Present and Future"—Fred A. Robbins.

"The Bar"—Chas. H. Brown.

"Allegany County's Legislature"—Hon. Clarence A. Farnum.

Congratulations, of Course.

School Commissioner Stephen Pollard, of Belmont, and Mrs. Franc Allen one of the teachers in the Belmont school, were married at that place Friday Dec. 16, 1892. The bride is well known in Andover, being a daughter of Mr. and Mrs. A. R. Henderson of this place. The News joins in the general congratulations which follow the union of these two worthy people.

INDEPENDENCE NEWS.

A merry Christmas to ye editor and the readers of the News.

Mr. Hosea Potter returned to his home in Salamanca last Tuesday.

Mr. John McCarn was the guest of his niece, Mrs. J. T. Livermore, several days last week.

Miss Eva Updyke of Greenwood, is the guest of her uncle, George Updyke.

Mr. and Mrs. Robert Cochrane of Darien, N. Y., were guests of Mr. and Mrs. E. D. Potter Saturday.

There was a dance at the house of a Mr. Whitney (who resides between here and Fulmer Valley) last week Thursday night.

Miss Mabel, eldest daughter of Elder H. D. Clarke, read a sermon Saturday, prepared by her father prior to his departure for Clayville, in the event of his being detained over the Sabbath.

Rev. Warren E. Peak, a latter day Saint, of Arkansas, commenced a series of meetings in Potter's hall Sunday, and will close Thursday evening.

Last week Monday evening the news of the death of Mrs. H. D. Clarke's mother, Mrs. Thomas Jennings, of Clayville, N. Y., was received at the parsonage, and the Elder and his wife started immediately to attend the funeral, and have not returned at this writing.

All honor to the brave and gallant fire laddies and the efficient and incomparable water works of Whitesville. Had it been otherwise, there is no doubt but the whole business part of the village would have been destroyed during the late fire in that place. It should be a warning to persons to put up buildings farther apart.

Miss Carrie Clark, who is teaching in West Union, goes to Canisteo to-morrow (Monday) to attend Teachers' Institute.

Card of Thanks.

We desire to express our sincere thanks to the friends and neighbors who kindly assisted us during the sickness and burial of our infant son, especially Rev. Wayne Brewster, Mr. and Mrs. Myron Bless, Mr. and Mrs. Josiah Warfield and others of Andover, and Mrs. J. E. Bacon, Mrs. David Smith, Mrs. Wm. Hamner, Rev. E. P. Brigham and Mr. J. M. Hitchcox of Canisteo, N. Y.

MR. AND MRS. GEO. H. HENTON.

Don't Let Peddlers Humbug You, Farmers.

Don't let any visiting peddler break the stove you already have. Don't pay extravagant prices for goods when we can sell you better for less money.

Why pay \$64 or \$69, according to terms, for a Steel Range when we can sell you a better and larger one for many dollars less?

Call Friday and see our sample Steel Range, and be convinced that what we tell you is true.

Where will the peddler be when you want your Range repaired? Is not our guarantee better than one made by some peddler you never will see again?

We are here to stay, and will always sell you honest goods at lowest prices.

E. J. ATWOOD,
Successor to A. B. Atwood & Son.

What More Can You Ask?

Our Prices are Reasonable, and we Guarantee Satisfaction.

We have an elegant line of Stamped Goods. Gentlemen's Plush Caps at any price.

Hilks, Silkalines, Zephyrs, and everything for Fancy Work.

Come and See Us.

W. H. PHILLIPS,
Prest Block, Greenwood St.
