

THE ANDOVER NEWS

ONE DOLLAR A YEAR.

HAMILTON C. NORRIS, EDITOR
ANDOVER, N. Y., Dec. 28, 1892

There was an earthquake in Cornwall, Ontario, the other day, which is described as being very severe. Canada mustn't be annexed to the United States unless she leaves her earthquakes behind.

Mr. and Mrs. Cleveland and baby Ruth dined alone Christmas Day. It wouldn't do for the President-elect to obligate himself to any one by even accepting an invitation to dinner.

His host would expect an appointment, if the dinner was a success.

"John Smith" says in the Buffalo Express: "Christmas comes but once a year, and that's five times too often." John said that just before he paid a bill for a Christmas present given him by his wife. But he probably paid the bill, and the dealer doesn't think as John does.

It is understood that efforts will be made by the Mexican government to turn the tide of emigration which has been flowing from Europe to the United States into that country, in view of the probable passage by the United States Congress of laws further restricting immigration. It is rumored that the authorities of several of the Mexican States are preparing to send emigration commissioners to Italy, Sweden, Ireland and Germany. It is to be hoped that Mexico will be phenomenally successful in her efforts, provided she takes the kind of emigrants that America doesn't want.

EVERY WORD TRUE.

The Following Letter Says the Poughkeepsie Eagle, Tells its own story.

Poughkeepsie, April 21, 1892. Messrs. Platt and Platt, proprietors and editors Poughkeepsie Eagle.

Gentlemen:—The enclosed is a sample of the many letters I am receiving from all over the country, asking as to the truth of an advertisement printed in your paper, giving my experience with Dr. David Kennedy's Favorite Remedy. I wish to say it was a pleasure to give that recommendation to Dr. Kennedy, and that when I said I was cured of catarrh of the bladder and chronic kidney disease, I wrote simply the truth. For twenty long years before I used this valuable medicine, I suffered from urinary troubles, pain in my back and a nervous, sleepless condition. Yet before I had taken the fourth bottle I was cured, sound and well. I have replied to this letter and am willing to do any similar service to those who are afflicted and will cheerfully answer all who write me. But I make this public statement hoping it may reach the eye of the sufferer, and perhaps save me personal correspondence, for at my age letter writing is not as easy as when I was younger. I remain Yours truly, J. C. BRINK. 24 Thompson Street.
