Tobacco: Rights of Non-users.

BY WM. A. MC CLEAN.

Liberty is a much-abused word. It is the cloak under which license and lawlessness stalk about upon the earth.

What then is liberty? Surely such freedom of action as harms no other individual.

The tobacco habit is a national and masculine one. It is expensive, and often enjoyed at the expense of wife, children and other dependents.

Does any one doubt that smoking in public interferes with the freedom of others? The streets, stores, public buildings and conveyances are for the use of the entire population, no one portion of which has a better right to them than another.

January 1, 1895, was the 60th anniversary of the marriage of Mr. and Mrs. J. L. Russell of Seio. It is doubtful if there are many couples in this county who have lived together as long.

An old atlas dated 1814 was recently found in this county. The book was well preserved and the map of New York state shows about 40 counties.

The first application, in this city or county, of anti-toxine, the new remedy for diphtheria, was used Monday by Dr. W. E. McDuffie in the case of a daughter of Mr. and Mrs. M. J. Haugh.

Dr. J. M. Rider of Almond, who was recently arrested on a charge of murder committed in Vermont, was taken to that state a few days ago. He is accused of causing the death of a matured child, which according to four physicians was murdered just prior to birth.

Parks' Tea clears the complexion. Mrs. N. Mevette, of LeRoy, N. Y., says: "I have used Parks' Tea and find it the best remedy I have ever tried."

Carlton Cornwell, foreman of the Gazette, Middletown, N. J., believes that Chamberlain's Cough Remedy should be in every home.

Shiloh's Cure, the great cough and croup cure is in great demand. Pocket size contains 22 doses only 25c.

The American Beauty owes her pretiges more to a clear complexion than to any other attribute. A cup of Parks' Tea will enable any one to possess this.

Captain Sweeney, U. S. A., San Diego, Cal. says: "Shiloh's Catarrh Remedy is the first medicine I have ever found that would do me any good."

As a Family Medicine Bacon's Catery King for the nerves passes from sire to son as a legacy. If you have kidney, liver or blood disorder, do not delay but get a sample package of this remedy at once.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became Miss, she clung to Castoria. When she had Children, she gave them Castoria.

Chamberlain's Eye and Skin Ointment is a certain cure for Chronic Sore Eyes, Granulated Eye Lids, Sore Nipples, Piles, Eczema, Tetter, Salt Rheum and Scald Head.

TO HORSE OWNERS. For putting a horse in a fine healthy condition. They tone up the system, aid digestion, cure loss of appetite, relieve constipation, correct kidney disorders and destroy worms, giving new life to an old or over-worked horse.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know

Batesman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine? Do You Know that opium and morphine are stupefying narcotic poisons? Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons? Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed? Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle? Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined? Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and he assigns to the word "Castoria" and its formula, and that to imitate them is a state prison offense? Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless? Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose? Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest? Well, these things are worth knowing. They are facts.

The fac-simile signature of Dr. H. Pitcher is on every wrapper. Children Cry for Pitcher's Castoria.
