

Shiloh's Cure, the great cough and croup cure is in great demand. Pocket size contains 22 doses only 25c. Children love it. Sold by O. E. Vars.

"Perhaps you would not think so, but a very large proportion of diseases in New York comes from carelessness about catching cold," says Dr. Cyrus Epton. "It is such a simple thing, and so common that very few people, unless it is a case of pneumonia, pay any attention to a cold. There are a great many cases of catarrh and consumption which have their origin in this neglect of the simplest precaution of every day life. The most sensible advice is, when you have one, get rid of it as soon as possible. By all means do not neglect it." Dr. Edson does not tell you how to cure a cold but we will. Take Chamberlain's Cough Remedy. It will relieve the lungs, aid expectoration, open the secretions and soon effect a permanent cure. 25 and 50 cent bottles for sale by L. A. Burrows.

Karl's Clover Root, the great blood purifier, gives freshness and clearness to the complexion and cures constipation, 25c, 50c, and \$1. Sold by L. A. Burrows.

The Woman's Christian Temperance Union of Andover meets the first and third Thursday in each month.

The Wells-Fargo Express Company orders that any employee who is seen taking a glass of liquor while on duty or during business hours shall be cautioned at once and on repeating the offense be immediately discharged.

The annual banquet of the Boston fruit and produce dealers was a notable total abstinence as well as social and business event. No intoxicating liquors were served, though the affair was distinguished by the presence of the Governor and Mayor.

The W. C. T. U. of Colorado petitioned the legislature of that state to elect no candidate to the United States Senate whose private character was not above reproach.

The temperance measure popularly known as the Nicholson bill, has received two day's earnest debate in the Indiana House of Representatives and with slight amendments passed to a third reading. The bill is as restrictive as a measure not entirely prohibitory can well be.

More rigid temperance rules for their employees have been adopted by the Monon Railway Company.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for over six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by L. A. Burrows.
