

W. C. T. U.

The Women's Christian Temperance Union of Andover meets the first and third Thursday in each month.

The effort to repeal the Sabbath law was defeated in the Pennsylvania House of Representatives.

The Polyglot Petition will be taken to England on the Steamer Berlin in twelve large boxes. It is to be exhibited at the great demonstration in Albert Hall and afterward presented to the government.

Albert Hall, which has a seating capacity of fifteen thousand has been chosen for the great mass meeting of the World's W. C. T. U. and the B. W. T. A. Conventions. Costumed representatives of the W. C. T. U. of the various countries in which it is organized, processions of various other temperance societies and a chorus of young people and children are some of the features of the demonstration.

Invitations have been issued for the farewell reception to be tendered the American delegates to the World's W. C. T. U. Convention, in London. The reception will be given at Prohibition Park, Staten Island, June 4th.

Mr. George Douglass, a Scottish missionary, says that "In Hai Cheng and elsewhere, the new Japanese governors are issuing a law that opium-smoking is to be abolished within four months, and that all offenders after that will be severely dealt with. And I have lived in no place where such drastic regulations are more required."

Ex-Congressman Lynch, the colored lawyer, says: "God cannot lift the African race to its place in the world until the colored man thinks more of his wife and daughters and less of whiskey."

Drinking water neither makes a man sick, nor in debt, nor his wife a widow.
